All the Men of the Bible Herbert Lockyer, 1968 **Men in the Bible** John F. O'Grady, 2005 MEN IN THE BIBLE explores the lives of twelve men whose lives figure prominently in Scripture six each from the Old and New Testaments Throughout the text John O'Grady is careful to keep these stories in perspective and focuses on the historical and archaeological evidence surrounding them The profiles presented here represent the entire span of biblical history from Adam and Abraham to Jesus and his followers Among them are such familiar figures as Moses David Jeremiah Jesus John the Baptist Peter and Judas Apart from Jesus all the subjects in this book have flaws some of them quite serious Often their noble qualities are obscured by such negative traits as pettiness meanness jealousy anger and pride These bad and ugly aspects make the rough edges more than evident Yet these same individuals are bound together by a common faith

in God Even Judas must have had considerable talents and generosity to be included among the twelve disciples As in biblical times people today also represent a spectrum of traits some good some bad and some downright ugly But the author demonstrates that because of the goodness of God the bad and the ugly never eradicate the presence of goodness He explains how such stories from the past can serve as examples for people today By fully understanding the character of each of the men covered in this work we can overcome the dark side of our natures and learn to become stronger and better people The Greater Men and Women of the Bible James Hastings,1913 **Great Men of the Bible** Walter Russell

Excerpt from Men of the Bible A great many people are afraid of the will of God and yet I believe that one of the sweetest lessons that we can learn in the school of Christ is the surrender of our wills to God letting Him plan for us and rule our lives If I know my own mind if an angel should come from the throne of God and tell me that I could have my will done the rest of my days on earth and that everything I wished should be carried out or that I might refer it back to God and let God's will be done in me and through me I think in an instant I would say About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
