Juvenile Justice An Introduction 7th Edition:

Juvenile Justice Donald J. Shoemaker, Timothy W. Wolfe, 2016-01-18 Authoritative current and easy to use this book is an outstanding resource for readers looking to gain an accurate and thorough understanding of American juvenile justice Juvenile delinquency has been of interest to the general public and academic scholars for many decades and it has been an ongoing societal problem for the same amount of time Delinquency covers a range of behaviors from minor offenses such as trespassing or vandalism to the more serious crimes often associated with gangs that include murder Juvenile Justice A Reference Handbook puts juvenile justice under the microscope surveying its long history and key issues exploring the myriad of problems and controversies tied to the juvenile justice system and explains how policymakers and legal professionals have tried to solve these vexing issues The book first presents historical and contemporary discussions of juvenile justice especially in the United States The next chapters address problems controversies and possible solutions for juvenile justice present insightful diverse perspectives from leading experts and profile important figures in the juvenile justice system and the field of crime and delinquency The book also contains data and primary documents that show who gets processed through the juvenile justice system and for what kinds of criminal acts **Juvenile Justice** John T.

Whitehead, Steven P. Lab, 2012-02-24 Juvenile Justice An Introduction is a student friendly analysis of all aspects of the juvenile justice system The book covers the history and development of the juvenile justice system and the unique issues related to juveniles including police interaction court processes due process movements toward diversion and deinstitutionalization and community intervention This book also examines particular issues within juvenile justice such as female delinquency gang delinquency and the use of the death penalty and Life Without Parole with juveniles Evidence based suggestions for successful interventions and treatment are included with a focus on performing cost benefit analyses of what works versus what is ineffective with juveniles The book concludes with a look to the future of the juvenile court including the real possibility of abolition

Courts Cassia Spohn, Craig Hemmens, 2011-11-09 Authored text sections and carefully selected accompanying readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century Edited readings introduce students to classic studies of the criminal court system and to cutting edge research on decision making by court actors An introduction to each reading gives students an overview of the purpose main points and conclusion of each article and evaluates their policy implications How to Read a Research Article tied to the first reading in the book guides students in understanding and learning from the research articles Mini chapters precede the selection of readings and offer clear and concise explanations of key terms and concepts in each section coupled with boxes with special interest topics and review materials that enhance student comprehension **Victimology** William G. Doerner, Steven P. Lab, 2014-04-29 Victimology 7th Edition introduces students to the criminal justice system in the United States and its impact on crime victims Authors William Doerner and Steven Lab provide a fresh look at the theoretical basis

of victimology and then present the key facets of crime and its effects They examine financial and social costs both to the individual and to the larger community This new edition brings forward the theoretical foundation of victimology into Part 1 to establish a clear conceptual framework and reduce repetition Emerging trends in the field receive greater emphasis in this edition including non adversarial resolution options that offer remediation for crime victims Crimes like intimate partner violence and victimization in the work or school environment continue to take a toll and the authors examine efforts to prevent these crimes as well as responses after an incident occurs Doerner and Lab challenge students to rethink the current response to crime victims and to develop improved approaches to this costly social issue Online supplements are available for both professors and students This breakthrough work provides an organizing structure for the history and current state of the field of victimology and outlines the reasons compelling a separate focus on crime victims Highly readable Victimology explores the role of victimology in today s criminal justice system examining the consequences of victimization and the various remedies now available for victims A new chapter covers the important implications of restorative justice The text is supplemented by illustrative figures and tables as well as learning objectives key terms and a listing of related Internet sites

Victimology Leah E. Daigle, 2012 This book provides an overview of the field of victimology including a collection of carefully selected articles that have previously appeared in leading journals along with original material in a mini chapter format that contextualizes the concepts It provides the history and development of the field of victimology explains who is victimized and why explains how the criminal justice system and other social services interact with victims and each other and provides information about specific types of victimization Back cover
