Managing Projects Scheduling And Closing Out Technology In Business:

Project Management for Business, Engineering, and Technology John M. Nicholas, Herman Steyn, 2008 Appropriate for classes on the management of service product and engineering projects this book encompasses the full range of project management from origins philosophy and methodology to actual applications **Changing Gears** J. Carlopio, 2003-02-20 Many change management programmes designed to implement new technology are unsuccessful The author draws upon a number of perspectives in change management and organisational strategy to show that failure is often not to do with technical factors but because of resistance of the workforce He presents a new approach to implementing technology based upon the persuasion and commitment of the main stakeholders Carlopio argues that senior managers should take organisational sensitivities and characteristics into account and build a communication and training and development strategy that will support the implementation of change In this way members of an organisation will be encouraged to embrace the new technology and it will become a part of their corporate mindset **Managing Projects for Success** Albert Hamilton, 2001 The influences of modern technology and competitive environments have a direct impact on the outcomes of projects irrespective of project type This text is a response to the growing need for better management which many people find necessary when leading or working within teams or groups undertaking a project Increasingly people in a working environment are engaged in organised practices and utilising resources facing the challenge of having to meet or better predetermined cost budgets and strict timetables. The fact that most work is organised into programs or singular projects means that people require increasing quidance in project management PMP: Project Management Professional Exam Study Guide Kim Heldman, 2018-01-30 NOTE The book included the incorrect URL to access the online test banks provided with the purchase of this book The correct URL is www wiley com go sybextestprep The ultimate PMP preparation and self study experience updated to align with the new PMBOK Guide 6th Edition The PMP Project Management Professional Exam Study Guide Ninth Edition provides comprehensive review for the Project Management Institute s PMI PMP certification exam This new ninth edition has been completely revised to align with the latest version of the exam which includes new tasks that reflect changes to best practices the role of the project manager and the growing importance of agile and other adaptive and iterative practices Detailed discussion draws from the latest A Guide to the Project Management Body of Knowledge PMBOK Guide 6th edition to provide the most up to date information on critical topics while hands on exercises provide insight on real world implementation Receive one year of free access to the Sybex online interactive learning environment to help you prepare with superior study tools rigorous chapter tests and two practice exams that allows you to gauge your readiness and avoid surprises on exam day The PMP certification is arguably the most desired skill in the IT marketplace but its reach extends into a variety of other industries Candidates must have extensive project management experience to qualify but comprehensive study materials aligned with the PMBOK Guide Sixth Edition are essential to
