

A detailed illustration of the rebuilding of Jerusalem's walls. In the foreground, numerous workers in traditional robes are engaged in various tasks: some are moving large stone blocks, others are using tools like hammers and chisels. A wooden wheelbarrow is on the left, and a small cart loaded with stones is on the right. The middle ground shows a large, partially completed stone wall made of rectangular blocks. In the background, a city with a prominent blue-domed temple and other buildings sits on a hill. Two large cranes are visible on the hillside, one on the left and one on the right. The overall scene is one of active construction and restoration.
