

## Getting Acquainted

Congratulations upon your selection of this CASIO watch. To get the most out of your purchase, be sure to carefully read this manual and keep it on hand for later reference when necessary.

- Expose the watch to bright light to charge its battery before using it. You can use this watch even as its battery is being charged by exposure to bright light.

- The watch recovers from the sleep state if you press **2** to a rest-02 area **4**, or if you press any button, or if you angle the watch towards your face for reading.
