Holy Grounds Tim Schenck,2019-04-02

If you re religious about your coffee you re in holy company If you like your coffee with a bit of inspiration a hint of humor and a dose

of insight you'll enjoy pouring a mug full of java and curling up with Holy Grounds Popular author and avid coffee drinker Tim Schenck brews just the right blend of the personal and historical as he explores the sometimes amusing and often profound intersection between faith and coffee From the coffee bean's discovery by ninth century Ethiopian Muslims to being condemned as Satan's drink by medieval Christians to becoming an integral part of Passover in America coffee has fueled prayer and shaped religious culture for generations In Holy Grounds Schenck explores the relationship between coffee and religion moving from faith based legends that have become entwined with the history of coffee to personal narrative He takes readers on a journey through coffee farms in Central America a pilgrimage to Seattle coffeehouses in Rome and a monastic community in Pennsylvania Along the way he examines the power of ritual mocks bad church coffee introduces readers to the patron saint of coffee wonders about ethical considerations for today's faith based coffee lovers and explores lessons people of faith should learn from coffeehouse culture about building healthy authentic community **Read This Before Buying A**

Coffee Maker OMER DEMIR,2019-12-16 Buying a coffee maker is a painful process and believe me not an easy one especially if you don't know what you need There are lots of types of coffee makers and grinders and they have lots of specifications Some specifications are similar but named differently due to the patent of the technology used I've helped thousands of people to guide them to find the right coffee maker and grinder that fits their needs Most of the annoying issues appear while using Because you never thought these scenarios would happen before buying your coffee maker Let me give you an example Most people don't care about the water tank removability option on espresso or filter coffee machines If you plan to put your coffee maker on a kitchen countertop and there is a kitchen cabinet on top of it unremovable tank might be a problem for you You need to pull the coffee maker every time to pour water into it This is called experience and I am sharing lots of real life experiences with you in this book Starting with Moka Pot PourOver French Press Chemex v60 and continue with manual semi automatic and fully automatic espresso makers filter coffee machines grinders and Turkish Coffee I believe you will learn lots of things when you finished the book *The New Rules of Coffee* Jordan Michelman,Zachary
