problème est un ordre social d'après je tente ici de remonter aux sources de notre humanité et reconstituer le tableau historique de son évolution spirituelle et sociale Les preuves archéologiques sont formelles notre humanité a connu une période que j'appelle embryonnaire paradis perdu allant du paléolithique au néolithique Les premiers temples Gbekli Tepe les premiers habitats la culture Natoufienne avaient des formes rondes ou ovales qui sont en rapport intime avec des ventres en gestation La posture des défunts position de fûts le mobilier funéraire comme les fameuses potes les vases de libation les figurines féminines etc suggèrent que nos ancêtres voyaient la naissance et la mort comme des éléments d'un seul cycle de l'existence humaine

The Globalization of Surveillance Armand Mattelart, 2010-10-11 Video surveillance public records fingerprints hidden microphones RFID chips in contemporary societies the intrusive techniques of surveillance used in daily life have increased dramatically The war against terror has only exacerbated this trend creating a world that is closer than one might have imagined to that envisaged by George Orwell in 1984 How have we reached this situation Why have democratic societies accepted that their rights and freedoms should be taken away a little at a time by increasingly sophisticated mechanisms of surveillance From the anthropometry of the 19th Century to the Patriot Act through an analysis of military theory and the Echelon Project Armand Mattelart constructs a genealogy of this new power of control and examines its globalising dynamic This book provides an essential wake up call at a time when democratic societies are becoming less and less vigilant against the dangers of proliferating systems of surveillance

India Communication Policy and Strategy for Development Padma Rani, Binod C. Agrawal, 2021-01-01 The book is a compilation of selected papers presented at the International conference organized by the Media Research Centre on the theme of communication policy and strategy for development The chapters of the book comprise of ancient communication policy of Bharatavarsha to the modern day digital methods of communication The chapters also raise pertinent questions regarding whether a unified communication policy is possible for India Discussions have also centred on social inclusion children education human development behavioural change to mention a few Views regarding communication policy from specific countries like Bangladesh Sri Lanka and Pakistan has also been included to give a broader outlook to policy and strategy Cases about digital policy polio cashless transactions higher education and a few others has been discussed from the Indian scenario This book would help communication and media scholars policy studies to understand the necessity of a policy and its implications on the larger society
