LOOKING FURTHER BACKWARD

POLITICAL DYSTOPIA

Looking Further Backward

Henry S. Salt

Looking Further Backward:

Looking Further Backward Illustrated Arthur Dudley Vinton, 2021-04-05 One of the wonders of the age has been the remarkable success of Edward Bellamy's novel *Looking Backward*. The reason for this is not hard to guess. The majority of the thinking portion of the community found in this book an echo of their own thought. *Looking further forward* Richard Michaelis, 1971. *LOOKING BACKWARD (A Utopia) & LOOKING FURTHER BACKWARD (A Dystopia)* Edward Bellamy, Arthur Dudley Vinton, 2018-11-02 *Looking Backward* Julian West a young American towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up 113 years later. He finds himself in the same location Boston Massachusetts but in a totally changed world. It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia. The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods. The two start working on improving the future with the experiences from the past and the present. *Looking Further Backward* Set in future of 2023 the book narrates the story of how China invades USA in 2020 after China has adopted rampant capitalism as opposed to rest of the world who are in throes of Nationalism a socialism like set up. Written in a form of a diary the novel directly hits out at Edward Bellamy's 1888 Utopian novel *Looking Backward*. The political drama that unfolds in this novel will make you deeply wonder how the author could foresee so much.

Looking Further Backward Arthur Dudley Vinton, 2022-11-13 Arthur Dudley Vinton's *Looking Further Backward* is a thought provoking sequel and satirical response to Edward Bellamy's seminal Utopian work *Looking Backward*. Set in the imagined future of 2023 the novel envisions an America subdued by a capitalist Chinese empire diverging sharply from Bellamy's socialist paradise. Vinton's narrative structured as a diary skillfully combines political commentary with a storytelling approach that delves into themes of nationalism capitalism and imperialism. Its prescient reflections on societal ideologies and possible futures place it squarely within the tradition of socially conscious science fiction making it a text of both historical and literary significance. Arthur Dudley Vinton with a life spanning 1852 to 1906 was imbued with the political and economic theories that shaped turn of the century America. Having been a lawyer editor and author Vinton's multifaceted career likely informed his critical perspective on the rapid societal changes of his era. *Looking Further Backward* seems in many ways to be a culmination of his lived experiences and intellectual musings presenting a counter narrative that challenges the optimism of Bellamy's vision and reflects anxieties about Eastern global dominance and unfettered capitalism. Scholars and enthusiasts of dystopian literature will find Vinton's work a compelling and insightful read. It invites reflection on the lasting consequences of economic and political ideologies that remain relevant today. The novel is recommended for those interested in exploring alternate historical narratives and the ideological debates that have shaped modern society. Its prescient treatment of geopolitical dynamics makes it a surprisingly contemporary read despite its origins at the dawn of the 20th century.

20th century Looking Forward Edward Bellamy, Richard Michaelis, 2017-10-31 Looking Forward An answer to Looking Backward is an unchanged high quality reprint of the original edition of 1890 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future *Looking Further Forward, by Richard Michaelis* Richard C Michaelis, 1890 *Looking Backward & Looking Further Backward* Edward Bellamy, Arthur Dudley Vinton, 2018-06-05 This carefully crafted ebook Looking Backward Looking Further Backward is formatted for your eReader with a functional and detailed table of contents Looking Backward Julian West a young American towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up 113 years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods The two start working on improving the future with the experiences from the past and the presence Looking Further Backward Set in future of 2023 the book narrates the story of how China invades USA in 2020 after China has adopted rampant capitalism as opposed to rest of the world who are in throes of Nationalism a socialism like set up Written in a form of a diary the novel directly hits out at Edward Bellamy s 1888 Utopian novel Looking Backward The political drama that unfolds in this novel will make you deeply wonder how the author could foresee so much **Moving Forward, Looking Back** Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society s consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space time continuum via the train s velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment s space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back *Looking further forward: an answer to Looking backward, by E. Bellamy* Richard C. Michaelis, Edward Bellamy, 1890 *Looking Beyond* L. A. Geissler, 2017-11-29 Excerpt from Looking Beyond A Sequel to Looking Backward by Edward Bellamy and an Answer to Looking Further Forward by Richard Michaelis This in his book Looking Backward Mr Bellamy very ably has done Of course the author of that book never made pretension of being a prophet or a dictator decreeing laws for future

generations his idea evidently was to show in a series of pictures how by general and scientific co operation an equitable system could be instituted the thousand fold misery of human beings tainting the present system be abolished and the welfare of all individuals of the human species be accomplished If this was his object he certainly was successful and the immense circulation of Looking Backward shows that he struck a chord in the hearts of American and English speaking people About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Sequel to Looking Backward [by E. Bellamy], or, "Looking further forward."**

(Second edition.). Richard MICHAELIS (Novelist),1891 *Looking further backward. Being a series of lectures delivered ... by Professor Won Lung Li, successor of Prof. Julian West. [A criticism of E. Bellamy's "Looking Backward."].* Arthur Dudley VINTON,1890 The Future of the Book Kevin J. Hayes,2022 A short study of modern utopian American literature that

shows how books were produced distributed and consumed in the US during the late nineteenth century and the ways in which utopian novels written at this time reflected these processes in their imagined futures *Hundred Days' Literature* Lorenzo Andolfatto,2019-03-19 In Hundred Days Literature Lorenzo Andolfatto explores the landscape of early modern Chinese fiction through the lens of the utopian novel casting new light on some of its most peculiar yet often overshadowed literary specimens The wutuobang or lixiang xiaoshuo by virtue of its ideally totalizing perspective provides a one of a kind critical tool for the understanding of late imperial China's fragmented Zeitgeist Building upon rigorous close reading and solid theoretical foundations Hundred Days Literature offers the reader a transcultural critical itinerary that links Edward Bellamy's Looking Backward to Wu Jianren's Xin Shitou ji via the writings of Liang Qichao Chen Tianhua Bihe Guanzhuren and Lu Shi'e The book also includes the first English translation of Cai Yuanpei's short story New Year's Dream *Looking Further Backward* Arthur Dudley Vinton,2018-07-25 Looking Further Backward by Arthur Dudley Vinton China invades the United States to restore US capitalism in the year 2020 in this dystopian 1890 sequel to Edward Bellamy's 1888 novel Looking Backward Vinton's novel is written as a series of lectures delivered at Shawmut College Boston Mass USA in the year 2023 by a Chinese historian who took charge as chief of the history department after the occupation of the socialized United States by capitalist China Bellamy's novel described a utopian re organization of the United States where by the year 2000 every aspect of the economy was owned and controlled by the government which was termed Nationalism to avoid the stigma of the term socialism Bellamy's best selling novel spawned 160 Nationalist Clubs in the United States and a Nationalist political movement in the late 19th century It also inspired many novels critical of Bellamy's premises such as this

one Here Vinton fabricates a history of the two decades after Bellamy's story ended in year 2000 during which the entire world except China abandoned its capitalist system and adopted Nationalism Fearing civil unrest fomented by foreign Nationalists proselytizing within China the Chinese government takes over France in 2012 and launches a military invasion of the United States in 2020 to preempt Nationalization of China and to restore capitalism in the US Vinton shows the folly of the abolition of a peacetime standing military for defense the replacement of currency by government issued credit cards disincentives for personal initiative and thrift deletion of Presidential war powers and more all of which were consequences of the Nationalized system proposed by Bellamy The story is told in quotations from a diary kept by Julian West the historian protagonist of Bellamy's novel which dramatize the events starting when China's warships are approaching various US ports with the intention of landing an invasion by Chinese soldiers The Chinese professor who took over West's position at the college gives his explanations among the quotations as he lectures to the history students We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

A Sequel to Looking Backward, Or "Looking Further Forward" Richard Michaelis, 1895 *Looking Further Backward* Arthur Dudley Vinton, 2019-09-11 China invades the United States to restore US capitalism in the year 2020 in this dystopian 1890 sequel to Edward Bellamy's 1888 novel Looking Backward Vinton's novel is written as a series of lectures delivered at Shawmut College Boston Mass USA in the year 2023 by a Chinese historian who took charge as chief of the history department after the occupation of the socialized United States by capitalist China Bellamy's novel described a utopian re organization of the United States where by the year 2000 every aspect of the economy was owned and controlled by the government which was termed Nationalism to avoid the stigma of the term socialism Bellamy's best selling novel spawned 160 Nationalist Clubs in the United States and a Nationalist political movement in the late 19th century It also inspired many novels critical of Bellamy's premises such as this one Here Vinton fabricates a history of the two decades after Bellamy's story ended in year 2000 during which the entire world except China abandoned its capitalist system and adopted Nationalism Fearing civil unrest fomented by foreign Nationalists proselytizing within China the Chinese government takes over France in 2012 and launches a military invasion of the United States in 2020 to preempt Nationalization of China and to restore capitalism in the US Vinton shows the folly of the abolition of a peacetime standing military for defense the replacement of currency by

government issued credit cards disincentives for personal initiative and thrift deletion of Presidential war powers and more all of which were consequences of the Nationalized system proposed by Bellamy The story is told in quotations from a diary kept by Julian West the historian protagonist of Bellamy's novel which dramatize the events starting when China's warships are approaching various US ports with the intention of landing an invasion by Chinese soldiers The Chinese professor who took over West's position at the college gives his explanations among the quotations as he lectures to the history students
