Collins Winn,2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology Jesus Jubilee and the Politics of God s Reign amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus s ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death dealing institutions Historically informed and passionately written *Jesus Jubilee and the Politics of God s Reign* challenges readers to find Jesus in the marginalized persons of our own time

The Sermon on the Mount and Moral Theology William C. Mattison, III, 2017-07-03 In this volume William C Mattison III demonstrates that virtue ethics provides a helpful key for unlocking the moral wisdom of the Sermon on the Mount Showing how familiar texts such as the Beatitudes and Petitions of the Lord's Prayer are more richly understood and can even be aligned with the theological and cardinal virtues he also locates in the Sermon classic topics in morality such as the nature of happiness intentionality the intelligibility of human action and the development of virtue Yet far from merely placing the teaching of Aristotle in the mouth of Jesus he demonstrates how the Sermon presents an account of happiness and virtue transformed in the light of Christian faith The happiness portrayed is that of the Kingdom of heaven and the habits needed to participate in it in the next life but even initially in this one are possible only by God's grace through Jesus Christ and lived in the community that is the Church *Liberation Theology and the Vatican Document: The theology of liberation, a general survey*, 1985 *Evangelization from a Liberation Perspective* Priscilla Pope-Levison, 1991 In this pioneering work Dr Pope Levison marshalls an enormous amount of material on the topic of evangelization in Latin American liberation theology By analyzing the writings of ten theologians she demonstrates convincingly that evangelization serves uniquely as a bridge between theology and praxis This study is indispensable for students of contextual theology and evangelization In addition the introductory discussion of evangelization in recent documents from the Roman Catholic Church and the World Council of Churches renders this an invaluable tool for ecumenical studies as well **The Kingdom of God** John Fuellenbach, 1995 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal

connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish a clear systematic understanding of Jesus vision of the Kingdom now and to come Page 4 of cover

The World as Sacrament Mathai Kadavil,2005 Sacramentology is one of the few theological disciplines that have undergone tremendous changes in the past In the background of all these developments this study aims to look for a paradigm the world as sacrament that encompasses various trends and is relevant to the multi religious context of contemporary society The aim of this study is to rediscover this paradigm that existed from the beginning of Christianity Its main concern is to see the different possibilities it offers for today as well as observing the different concerns that are present in it It is done from the perspectives of Latin Greek and Syriac Christian traditions
