What is Memorial Day?

Memorial Day is a special day when we remember and say thank you to all the brave people who protected our country and kept us safe. It happens every year at the end of May.

People sometimes visit cemeteries to put flags or flowers like poppies next to the graves of these heroes to show respect and gratitude.

It's a time when families come together to love each other and enjoy freedom and peace these heroes protected. Memorial Day helps remember that it's important to and to take care of each other. These heroes took care of us.
