The Scots Men-at-arms and Life-Guards in France, from Their Formation Until Their Final Dissolution, A.D. MCCCCXVIII-MDCCCXXX William Forbes Leith, 2024-05-30 Reprint of the original first published in 1882

Men at Arms Tony Hopkins, 2009 The tensions generated across Europe by the Reformation meant that from the 1530s war or the threat of war was ever present. In England after the Act of Supremacy, fears of invasion by leading Catholic countries focused increased attention upon the nation's defences while the unfolding international situation required levies for overseas service. Men from Monmouthshire were summoned to do duty on both fronts. The four documents published in this volume name several thousand of them; more than this in many instances they record the equipment that they used and the clothing that they wore. The substance of this book lies in the extensive list it presents of Monmouthshire men who were mustered during the Tudor period. For the family historian, therefore, it will be an unrivalled source of previously unpublished information, but it will be equally valuable to anyone researching the military, social or administrative history of south east Wales.

Men at Arms Terry Pratchett, 2005 Be a MAN in the City Watch. The City Watch needs MEN. And they need all the help they can get because they only have twenty-four hours to clean up the town and this is Ankh-Morpork. We're talking about...

Ukrainian Armies 1914-55 Peter Abbott, Eugene Pinak, 2012-02-20 There can be no region in Europe whose history has been more tortured than Ukraine. During the 20th century Austria, Poland, Russia, Germany, Hungary, Czechoslovakia and Romania vied for power over parts of this vast and fragmented area, and its divided peoples rose time and again in vain attempts to win their independence. For the first time in the West, this book gives a succinct summary of all the different armed forces raised among the Ukrainians and of their uniforms and insignia. These are illustrated in colour and in a selection of extremely rare photographs dating from the Great War to the aftermath of World War II, when Ukrainian guerrillas continued to defy the Soviet authorities until the mid 1950s.

The Belgian Army in World War I Ronald Pawly, Pierre Lierneux, 2012-02-20 While small in numbers, the Belgian Army played a vital role in World War I that is often overlooked. Germany's invasion of neutral Belgium, which led Britain to declare war in August 1914, should have been swift and fierce. Yet the unexpected heroic defence against great odds of Belgian fortresses frustrated the German Schlieffen Plan for a thrust to Paris and a lightning victory. The plucky Belgian resistance proved successful in buying time for French and British troops to mobilize and report to the front, where the Belgians would then go on to fight stubbornly, defending the northern end of the Allied trench line for the rest of the war. Discover the story of this determined Army from their

organization and commanders to their uniforms and equipment This volume Osprey's first book on this main combatant army of World War I is an important addition to any enthusiast's collection accompanied by detailed artwork and archive photographs

Flags of the Napoleonic Wars (2) Terence Wise, 2012-04-20 From the Liebfahne and Ordinfahne of Austria to the eagle and wreath of Russia the flags of the Napoleonic Wars comprised a range of designs and colours The second in a series of three volumes focusing on flags of the Napoleonic Wars this book examines the patterns colours and guidons of Austria Britain Prussia and Russia offering a rare glimpse into an often overlooked subject in Napoleonic history The text is packed with illustrations throughout including colour plates sketches and tables detailing flag variants patterns and inspection colours

The German Army in World War I (2) Nigel Thomas, 2012-03-20 The years 1915-17 saw the Imperial German Army forced to adapt to the new realities of static trench warfare Prewar uniforms and equipment had to be modified for both utility and economy on battlefields ruled by machine guns and artillery the steel helmet reappeared as well as masks to protect against poison gas Fashionable cavalry regiments soon proved irrelevant on the Western Front many were dismounted to join the infantry while new units usurped their prestige assault battalions and the air corps This second volume in a three part sequence offers vast detail on organisation uniforms and insignia illustrated with rare photographs and meticulous colour artwork

The Australian Army in World War I Robert Fleming, 2012-06-20 The importance of the Australian contribution to the Allied war effort during World War I should never be underestimated Some 400 000 Australians volunteered for active duty an astonishing 13 per cent of the entire white male population a number so great that the Australian government was never forced to rely on conscription Casualties were 52 per cent of all those who served ensuring that the effects of the war would be felt long after the armistice In particular their epic endeavour at Gallipoli in 1915 was the nation's founding legend and the ANZACs went on to distinguish themselves both on the Western Front and in General Allenby's great cavalry campaign against the Turks in the Middle East Their uniforms and insignia were also significantly different from those of the British Army and provide the basis for a unique set of artwork plates

World War II Allied Nursing Services Martin Brayley, 2012-02-20 The skill and care of the women of the Allied military nursing services was remembered gratefully by hundreds of thousands of wounded servicemen The small peacetime services increased rapidly by enrolling reservists and volunteers the great majority of the nurses who cared for Allied casualties were civilians in uniform who worked tirelessly under difficult conditions and in tented hospitals close to the front lines in real danger many nurses paid for their devotion with their lives This first ever fully illustrated study of the US British Commonwealth and other nursing organisations includes many unpublished photographs and 24 meticulously illustrated colour figures

Nobles, Knights and Men-at-Arms in the Middle Ages Maurice Keen, 1996 This book is a collection of Maurice Keen's essays and deals with both the ideas of chivalry and the reality of warfare He discusses brotherhood in arms courtly love crusades heraldry knighthood the law of arms tournaments and the nature of nobility as well as describing the

actual brutality of medieval warfare and the lure of plunder **Frederick the Great's Army (2)** Philip Haythornthwaite, 2012-05-20 Throughout the wars undertaken by Frederick the Great probably his greatest resource was his infantry It is a mark of the king's determination that despite wars which almost destroyed both Prussia and its army such as the Seven Years War he was able to maintain its numbers even if the quality declined as the attritional campaigns took their toll Philip Haythornthwaite examines the uniforms tactics and organisation of Frederick's infantry in detail a fighting force that contested battles such as Mollwitz Hohenfriedberg Kesselsdorf Liegnitz Burkersdorf and the siege of Prague **The Spanish-American War and Philippine Insurrection** Alejandro de Quesada, 2012-01-20 This book details the uniforms and weapons of the American Spanish Cuban and Filipino forces involved in the United States Army's first overseas war In 1898 the USA took the decision to intervene in the Cuban war of independence against Spain and to expel the last vestige of European colonial rule from the Americas This also led to the US acquiring rule over the Philippine Islands and there US troops were sent into the jungle to fight a colonial war of their own against Filipino insurgents unwilling to exchange one master for another The text is illustrated with rare early photographs and color plates **Men at arms** Terry Pratchett, 1998 **A History of the Art of War** Charles Oman, 1898 **Men-at-arms**, 1971 **Heroes of the united service** Laura Valentine, 1900 **Years's Transactions of the Carmarthenshire Antiquarian Society and Field Club ...** Carmarthenshire Antiquarian Society and Field Club, 1910 *The Heart of Northern Wales* W.
