

# 5 Ways to Tie a Scarf

## The Drape

Simply drape the scarf around your neck, with equal lengths on both sides.

## The Once Around

Draper the scarf around your neck with the right side being shorter. Bring the left side up and over your shoulder, and around your neck to the front again.

## The Over Hand

Draper the scarf around your neck with the right side being shorter, and left side crossed over it. Like the necktie of the same name, bring the left side up through the loop in the neck, and back out to the front.

## Reverse Drape

With the scarf around your neck (equal lengths on both sides), take the right side and throw it over your left shoulder, and then the left side and throw it over your right shoulder.

## The Parisian Knot

Fold scarf in half and drape around neck. Bring the loose end through the loop and tighten.
