*Pentecostal and Holiness Statements on War and Peace* Jay Beaman, Brian K. Pipkin, 2013-08-30 Many Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing To rectify this loss we have catalogued Holiness and Pentecostal denominational statements on war and peace Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements While their early doctrines opposed killing many named in this book are now widely considered to be stalwarts of the Religious Right or at least staunch supporters of Christian participation in war Our hope is that this book will frame the official position of early Pentecostals on war and peace and encourage Pentecostals today to reflect on their antiwar heritage Ministers Manual (Doran's) James William Cox, 1985 **Randall House Minister's Manual** Billy A Melvin, 2012-09-25 The notebook comes in a sturdy three ring binder making it useful for many occasions The solid black front and back cover professionally compliments the use of the manual during special occasions *Minister's Service Manual* Samuel Ward Hutton, 2003-10 An essential tool for pastors of any denomination on how to prepare for worship services weddings funerals benedictions dedications baptisms and more The Pastor's Handbook NIV Moody Publishers, 2006-06-01 The Pastor's Handbook NIV is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality beauty and dignity To this end numerous changes both large and small have been made more selected Scriptures new alternatives for special occasions some significant additions and changes At the same time every effort has been made to keep the book concise and compact to maximize its usefulness The formulas should be sufficient for the ordinary needs of the minister They may be modified or supplemented by materials from the pastor's private collection or his own preparation Some who stress liberty in prayer and preaching dislike set forms preferring spontaneity and a free style as they worship If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals The use of forms should never become merely formal And if the use of forms adds beauty and dignity to the atmosphere of sacredness who can object May the blessing of God attend all who glean from this manual enabling it them to know what to say and how to say it This is made also for allowing them to know what to do and how to do it especially as the occasion requires Gratitude is expressed to many pastors and contributors for this volume Includes the worship service baptism communion funerals anointing services healing services membership installation baby and child dedication consecration services ceremonies for buildings and visitation *The Ministers Manual for 1983* Charles L.
