Publication 831 issued December 2008 Finally the Committee considers how the Commissioner has operated in her first year The Commissioner has set clear aims values and objectives for her office understanding the environment of the three Services delivering good customer service ensuring widespread knowledge of the new system establishing a reliable recording system for complaints ensuring effective integration of the SCC and Tri Service systems establishing expectations and requirements and delivering her annual report on time The Committee commends Dr Atkins for her regular and frequent visits to military bases and to operational theatre to gain an understanding of the environment of the three Services and how the complaints system operates in practice Knowledge in the Services of the Commissioner and her role is patchy and more should be done by the Ministry to improve that Staff resources should also be increased It is still too early to decide whether the Commissioner has sufficient powers The next annual report should be presented formally to Parliament **Ministry of Defence Annual Report and Accounts 2013-14** Great Britain.
