MIRROR EDGE Anup Prasad, 2025-08-17 The Mirror Edge By Anup Prasad Every reflection hides a secret Every mirror is a doorway For as long as she can remember Elara has felt an unshakable unease around mirrors an instinct that the glass holds more than her own image When a dream leads her to a forgotten attic and a silver framed mirror that should not exist her life shatters into something unrecognizable Drawn into the Mirror Edge a world of living reflections and fragile boundaries Elara discovers a realm of breathtaking beauty and perilous truths Here guardians known as the Watchers reveal her ancient bloodline and the burden she must carry to protect the delicate balance between worlds or see both collapse into ruin Guided by Kael a mysterious wanderer with silver eyes and dangerous secrets Elara journeys through the City of Glass the Archive of lost souls and the heart of a world unraveling But when betrayal cuts deepest she must face the impossible choice between preserving her own identity and saving two realities from destruction A haunting tale of sacrifice courage and the cost of truth The Mirror Edge is perfect for readers of dark fantasy and metaphysical adventure Step carefully because once you cross the Edge no reflection will ever look the same again **Standing at Water's Edge** Anne
