Living Beautifully with Uncertainty and Change

Description :

We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable - to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The teachings she presents here - known as the "Three Commitments" - provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

Vivir bellamente (Living Beautifully) Pema Chodron, 2015-07-07 Vivimos en pocas difíciles En ocasiones la vida parece un río turbulento que amenaza con ahogarnos y destruir al mundo Por qué entonces no deberíamos aferrarnos a la certidumbre de la orilla a nuestros patrones y hábitos familiares Porque según nos enseña Pema Chodron ese tipo de anclaje basado en el temor nos priva de la experiencia infinitamente más satisfactoria de estar plenamente vivos Las enseñanzas que la autora nos presenta aquí conocidas como los Tres Compromisos brindan una riqueza de conocimientos para aprender a adentrarse directamente en el río a acoger plenamente y sin temores el carácter insondable del ser humano Cuando lo hacemos empezamos a ver no solamente cuánto mejor se siente vivir de esa manera sino que descubrimos que de manera natural y efectiva empezamos a buscar el cuidado y apoyo de otras personas We live in difficult times Life sometimes seems like a turbulent river threatening to drown us and destroy the world Why then shouldn't we cling to the certainty of the shore to our familiar patterns and habits Because Pema Chodron teaches that kind of fear based clinging keeps us from the infinitely
