The problem? She's expected to follow in her family's footsteps at Seduction and Snacks working with sex toys and baked goods. Ava loves vibrators and cupcakes as much as the next person, she'd just rather play with them than sell them. With her shopping addiction reaching an all time high and her credit card bills piling up, Ava decides to put her obsession to good use and start a fashion blog. But she has one other problem: the guy she's having sex with has a My Little Pony addiction. While dealing with her family's disappointment and confusion over her choices, she finds support in the unlikelyst of places: Tyler Branson. Tyler has slowly wormed his way into her bed and her heart and he refuses to leave. Tyler has his own family problems to deal with and for the first time ever, Ava finds herself feeling bad for the annoying immature guy and chanting Friendship is magic during the sex she'd sworn to stop having with him.
