## **Men We Reaped A Memoir:**

*Men We Reaped* Jesmyn Ward, 2013-09-17 Two time National Book Award winner Jesmyn Ward's *Salvage the Bones* and *Sing Unburied* contend with the deaths of five young men dear to her and the risk of being a black man in the rural South. We saw the lightning and that was the guns and then we heard the thunder and that was the big guns and then we heard the rain falling and that was the blood falling and when we came to get in the crops it was dead men that we reaped. Harriet Tubman. In five years Jesmyn Ward lost five young men in her life to drugs, accidents, suicide, and the bad luck that can follow people who live in poverty, particularly black men. Dealing with these losses one after another made Jesmyn ask the question: Why? And as she began to write about the experience of living through all the dying, she realized the truth and it took her breath away. Her brother and her friends all died because of who they were and where they were from because they lived with a history of racism and economic struggle that fostered drug addiction and the dissolution of family and relationships. Jesmyn says the answer was so obvious she felt stupid for not seeing it. But it nagged at her until she knew she had to write about her community, to write their stories and her own. Jesmyn grew up in poverty in rural Mississippi. She writes powerfully about the pressures this brings on the men who can do no right and the women who stand in for family in a society where the men are often absent. She bravely tells her story, revisiting the agonizing losses of her only brother and her friends. As the sole member of her family to leave home and pursue higher education, she writes about this parallel American universe with the objectivity distance provides and the intimacy of utter familiarity. A brutal world rendered beautifully. Jesmyn Ward's memoir will sit comfortably alongside Edwidge Danticat's *Brother I'm Dying*, Tobias Wolff's *This Boy's Life*, and Maya Angelou's *I Know Why the Caged Bird Sings*.

*Men We Reaped* Jesmyn Ward, 2014-09-16 Universally praised Jesmyn Ward's *Men We Reaped* confirmed her ascendancy as a writer of both fiction and nonfiction, her Southern requiem securing its place on bestseller and best books of the year lists with honors and awards pouring in from around the country. Jesmyn's memoir shines a light on the community she comes from in the small town of DeLisle, Mississippi, a place of quiet beauty and fierce attachment. Here, in the space of four years, she lost five young men dear to her, including her beloved brother, lost to drugs, accidents, murder, and suicide. Their deaths were seemingly unconnected, yet their lives had been connected by identity and place, and as Jesmyn dealt with these losses, she came to a staggering truth: These young men died because of who they were and the place they were from because certain disadvantages breed a certain kind of bad luck. Because they lived with a history of racism and economic struggle, the agonizing reality commanded Jesmyn to write at last their true stories and her own. *Men We Reaped* opens up a parallel universe yet it points to problems whose roots are woven into the soil under all our feet. This indispensable American memoir is destined to become a classic.

*The Writings of Jesmyn Ward* Martyn Bone, 2025-07-24 Since the publication of her first novel in 2008, Jesmyn Ward has established herself as arguably the most important U.S. author of the twenty-first century. This book

considers the full range of her career thus far including National Book Award winning novels *Salvage the Bones* and *Sing Unburied* as well as Ward's widely acclaimed memoir *Men We Reaped*. Martyn Bone thoughtfully examines key themes running throughout Ward's writing: Black life in the U.S. South, the legacies of slavery and segregation, neoliberalism as the contemporary form of capitalism, environmental crisis in the Anthropocene, and human-animal relations. Bone also connects Ward's work to major figures in the U.S. literary canon with particular focus on William Faulkner, Zora Neale Hurston, and Toni Morrison.

*Conversations with Jesmyn Ward* Kemeshia Randle Swanson, 2025-08-21

Jesmyn Ward (b. 1977) is arguably one of today's most important authors. Although often compared to William Faulkner, Ward and her writings have done anything but live in that shadow. Since the 2008 debut of her first novel *Where the Line Bleeds*, she has produced four novels and a memoir that are equally harrowing and heartening, and she is the recipient of numerous major literary awards and fellowships, including two National Book Awards for *Salvage the Bones* (2011) and *Sing Unburied* (2017). Spanning from 2009 to the present, the interviews collected in *Conversations with Jesmyn Ward* display a master artist with a poetic command for words. Ward's personality and writing style could be characterized as gentle, passionate, fastidious, queer, and brutally honest, as her soft-spoken voice and lyrical prose express a passion for the world so large and consuming that it often emanates as rage or sadness but always leaves readers with a bit of hope. She speaks at length about grief, her writing process, and a love-hate relationship with her home state of Mississippi and the South, as well as the influence that her family, hip-hop music, and culture, and vigorous childhood reading have on her writing.

OPRAH'S BOOK CLUB PICK Instant New York Times Bestseller Named one of the best books of 2023 by The Washington Post, Vanity Fair, The Boston Globe, Time, The New Yorker, and more. Nothing short of epic, magical, and intensely moving. *Vogue*: A novel of triumph. The Washington Post: Harrowing, immersive, and otherworldly. People: From one of America's finest living writers. San Francisco Chronicle: And heir apparent to Toni Morrison. LitHub: comes a haunting masterpiece about an enslaved girl in the years before the Civil War that's destined to become a classic. *Let Us Descend* describes a journey from the rice fields of the Carolinas to the slave markets of New Orleans and into the fearsome heart of a Louisiana sugar plantation. A journey that is as beautifully rendered as it is heart-wrenching; the novel is the literary equivalent of an open wound from which poetry pours. NPR: Annis, sold south by the white enslaver who fathered her, is the reader's guide. As she struggles through the miles-long march, Annis turns inward, seeking comfort from memories of her mother and stories of her African warrior grandmother. Throughout, she opens herself to a world beyond this world, one teeming with spirits of earth and water, of myth and history, spirits who nurture and give and those who manipulate and take. While Annis leads readers through the descent, hers is ultimately a story of rebirth and reclamation. From one of the most singularly brilliant and beloved writers of her generation, this searing and lyrical, raw, transcendent, and ultimately hopeful novel.
