Le Mariage tel qu'il fut et tel qu'il est Élie Reclus, 1907 Le Mariage Tel Qu'il Fut Et Tel Qu'il Est! Elie Reclus, 2017-07-24 Puisque l'institution même du mariage civil est en cause nous en exposerons le développement historique Les points en litige seront mis leur valeur relative par le seul fait que la situation générale sera bien établie plusieurs difficultés d'ordre secondaire se dissiperont sans qu'on y touche et la grande question de droit se lucidera en quelque sorte d'elle-même

The Anarchist Way to Socialism Marie Fleming, 2019-11-19 First published in 1979 Elie Reclus was an important anarchist theorist whose contribution to the radical direction which the European anarchist movement assumed in the late nineteenth century has been largely neglected by scholars This study of his thought provides a basis for a general reassessment of European anarchism by contributing to an understanding of important dimensions of theory and practice which previously have not been well understood Amongst the aspects examined are the anarchist conception of the state the nature of oppression and revolution and the role of violence and terrorism One of the revealing and fundamental themes of this examination is that the social and political theory of Elie Reclus was the product of interaction of utopianism and science two strands of thought frequently taken to be mutually exclusive For Reclus the use of the scientific method served to strengthen his concept of Utopia rendering it part of the real world Within this context of utopianism and science it can be seen that Reclus' legendary benevolence and his justification of violence are logically consistent both deriving from his all-embracing social and political theory This work presents a challenging approach to many widely held views about the nature of anarchism particularly regarding its relationship to socialism
