# IT'S YOUR TIME

Activate Your Faith, Achieve Your Dreams, and Increase in God's Favor

## JOEL OSTEEN

#1 New York Times Bestselling Author of *Your Best Life Now* and *Become a Better You*

**I don't know where you are headed, what your dreams are, or how many obstacles you have to overcome.** But I encourage you to let these words reach deep down into your spirit. Receive them by faith. You are closer than you think. A global recession has forced many to postpone their dreams and cancel their plans. You may have lost your job. You may have lost your savings, maybe even your home. It could be that you have health concerns or relationship problems. Maybe you are frustrated because it's taking so long to get where you want to be in your life. Yet now is not the time to talk yourself out of your goals and dreams. Now is not the time to get discouraged. You may think as I sometimes have, that you're not even halfway to your goal. You may feel you have so far to go. But the truth is, you don't know. Your dream may just be up around the corner. You may think it will take another two years. But if you stay in faith, who knows? It may just be two more months. You are closer than you think. I believe it's your time.
