Reading Test (Unseen passage)

Read the following text carefully and answer the questions 4 and 5.

Liberation does not descend upon people. People must raise themselves to it. It is a fruit that must be earned before it can be enjoyed. That freedom means freedom only from foreign domination is an out-worn idea. It is not merely the government that should be free but people themselves should be free. Freedom has no real value for the common men and women unless it also means freedom from want, freedom from disease, freedom from ignorance. This is the main talk which confronts us if we are to take our rightful place in the modern world. We can't hold the clock back and therefore, it is we who must go forward at a double pace with all our resources and all our energies to this great purpose.
