Knowing A Series Of Gifts:

Knowing - a Series of Gifts Tammy Hill,2012-06-05 Sixteen year old Ember Matthews is tired of being the person everyone else wants her to be Although she is nervous about moving to a small town and leaving behind the comforts of her old life Ember welcomes the opportunity to escape the mistakes and pain of her past Ember truly wants to change but when faced with temptation and peer pressure from some new friends she finds herself slipping into the same old patterns As she reconnects with God Ember begins to realize that she is no ordinary teenager She sees things that no one else sees and knows things she has no business knowing Will Ember learn to use her God given gift or will the burden of her calling be too much for her to carry The Gift of Knowing J. Alexander Rutherford,2019-02-27 To any attentive observer the Western world is in serious trouble It shows the signs of languishing under a devastating disease This is clearer nowhere else than in the realm of epistemology the study of truth and how we attain it Here the belief in human autonomy the freedom of individual men and women to interpret the world and live within it as they see fit has slowly eroded any foundation for knowledge or morality The result is a society adrift floating wherever the tide might take it If the disease ravaging our society is the belief in human autonomy the cure is submission once again to the God who created this world at least that is the argument of the Gift of Knowing The author argues that apart from submission to God as He has revealed Himself in the Christian Bible there is no firm foundation for truth or a trustworthy way of attaining it However through His revelation in Scripture God has given His people a foundation for knowing the world He has created and living within it *God's Gifts for the Christian Life — Part 1* J. Alexander Rutherford,2021-11-05 How are Christians to think about the intellectual tasks that make up everyday life in the modern world It is clear we are not to do so as the world does but what does it look like to engage Christianly in our thinking In the first part of the series God s Gifts for the Christian Life J Alexander Rutherford shows how the Bible equips us to confidently engage in the interpretation of and engagement with the Word of God and the world he has created In God s rich mercy he has enabled us to know him his word and his world In a world where it is preposterous and arrogant to claim to know anything certainly we are in desperate need of renewed foundations In God s Gifts for the Christian Life see some of the ways that God through his limitless power has made available to us everything necessary for life and godliness 2 Peter 1 3 **What Is My Calling? Knowing God's Will for Your Vocation** Roger Ball,2024-12-05 The term calling is frequently used today but what does it really mean to be called Is it something mystical transcendent and otherworldly that applies only to a select chosen few or does it apply to anyone Many people associate the concept of calling solely with full time church related roles such as pastors missionaries or evangelists where individuals earn their living by fulfilling God s higher purposes However this limited application is far from the biblical reality Secular vocations volunteer activities homemaking and similar pursuits should also be regarded as callings even divine callings Discover your unique calling and fulfill God s purposes for your life **Christian Nurture Series ...** ,1917 The
