captivating hilarious and clever look on the magical kingdom of Manhattan where kissing frogs has never been this fun Melissa de la Cruz author of The Au Pairs Katie Chandler had always heard that New York is a weird and wonderful place but this small town Texas gal had no idea how weird until she moved there Everywhere she goes she sees something worth gawking at and Katie is afraid she s a little too normal to make a splash in the big city Working for an ogre of a boss doesn t help Then seemingly out of the blue Katie gets a job offer from Magic Spells and Illusions Inc a company that tricks of the trade to the magic community For MSI Katie s ordinariness is an asset Lacking any bit of magic she can easily spot a fake spell catch hidden clauses in competitor s contracts and detect magically disguised intruders Suddenly average Katie is very special indeed She quickly learns that office politics are even more complicated when your new boss is a real ogre and you have a crush on the sexy shy ultra powerful head of the R D department who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie Now it s up to Katie to pull off the impossible save the world and hopefully live happily ever after **Interview With a Dead Editor** Shanna

Swendson,2020-10-01 Worst Job Interview Ever Alexa Lucky Lexie Lincoln has always had a nose for news and a knack for being first on the scene whenever there s a big story Now her luck seems to have run out First she loses her reporting job Then she gets an interview for a job at a small town paper only to find the editor dead on the newsroom floor That makes her a suspect in the eyes of local policeman Wes Mosby To make matters worse someone sabotages her alibi and a freak ice storm strands her in town That s when she learns that this idyllic little town right out of a movie set is full of secrets including people with uncanny abilities and the ghost who really runs the newspaper To clear her name and get the job Lexie will have to find the real killer a killer who seems to think she knows a lot more than she does If she s not careful she could be the next victim A magical new mystery series from the author of Enchanted Inc **Secret of the Haunted Hotel**

Shanna Swendson,2021-10-21 It s the event someone s dying to attend The grand opening party at a new bed and breakfast in a vintage farmhouse that s supposedly haunted poses quite the dilemma for Lexie Lincoln Most of the other guests are noted ghost hunters and since Lexie actually can see ghosts she ll know whether they re frauds and whether the inn really is

haunted But showing what she knows or honestly reporting on what she sees and hears would make her sound like a tabloid reporter rather than a serious journalist Ghosts become the least of Lexie's concerns when a flash flood blocks the road out and then one of the guests is found dead Someone in the inn has to be a killer If they don't figure out who there could be more victims It's up to Lexie to enlist the aid of the resident ghosts to break the case and save them all but that may mean revealing her secret talent to the rest of the world Or is an angry ghost the real threat

Case of the Vanishing Visitor Shanna Swendson, 2021-08-20 Is she missing or was she ever there As a newspaper reporter Lexie Lincoln knows a good story when she sees one and when a source doesn't show up for an interview and doesn't answer her phone Lexie feels certain there's something wrong This woman is a visitor to town on her own and vulnerable and Lexie may be the only person to realize she's gone missing The weird thing is that nobody else remembers seeing this woman even though Lexie met her during a busy night in her friend Margarita's restaurant That makes it hard for her to convince anyone that there's a problem After all Lexie can see ghosts most other people don't The woman Lexie talked to might not even have been alive Sure of her instincts Lexie sets out to learn more about the woman and what might have happened to her The plot thickens when the woman's car is found abandoned Now Lexie knows she didn't imagine the visitor but where is she and what happened to her As the clues line up Lexie starts to worry that they're just a bit too neat too much like a good story Now that the police are seriously investigating the woman's disappearance Lexie's credibility may be in danger if she got the story all wrong in the first place She has to find the truth before the police do and before her next issue goes to press if she doesn't want to be the editor who cried wolf

Mystery of the Secret Santa Shanna Swendson, 2023-08-30 Someone knows who's been naughty and they're not being nice about it Lexie Lincoln is excited about the holiday season Stirling Mills puts on a big celebration with elaborate light displays and numerous events It'll be like living in one of those TV Christmas movies she binges every December There's just one damper on her holiday spirit the Secret Santa an information vigilante who seems to have access to the Naughty list and who is sharing that information through anonymous notes sometimes slipped into pockets and sometimes left in people's homes during the night Since nothing is damaged or taken and there's no sign of a break in no one has reported these incidents to the police so they aren't involved but that doesn't stop Lexie from investigating Informing people about affairs backstabbing and workplace politics stirs up strife and the fact that the Santa sometimes also leaves gifts that fulfill unspoken needs doesn't help Lexie's not sure she believes in Santa but someone who knows secrets good and bad and who can slip into homes during the night sounds a lot like St Nick Busting Santa might put Lexie on the Naughty list but she feels she has to save the holiday celebration before the bad vibe drives the tourists away and before her own secrets are revealed

Mystery of the Drowned Driver Shanna Swendson, 2021-01-28 Was It an Accident or Vengeance When a fisherman spots a car in the river it's the most exciting news during a slow week in Stirling Mills and newspaper editor Lexie Lincoln is there to cover it The cops think it was an accident but a ghost on the scene tells Lexie the drowned driver got what

he deserved for cheating her out of her land Lexie figures the ghost got vengeance There are just two problems A ghost can't be prosecuted for murder and the person the ghost named isn't one of the people found in the car Still Lexie thinks it's worth digging into and she discovers that someone has been taking advantage of elderly landowners She'd have thought the town would rally behind her investigation of a real estate scam but she finds herself standing alone Her suspect has an eerie hold over everyone he encounters If she doesn't find concrete proof that he committed a crime she may get run out of town That's a real challenge when no one still alive will talk to her And then there's still the case of the drowned driver and his passenger was it an accident or did the scheme lead to murder

Case of the Broken Bridge Shanna Swendson, 2022-09-22 Locking the doors may not keep a killer out Lexie Lincoln hoped the Saturday outing Wes Mosby planned would be a date a step toward defining their ambiguous relationship but it turns out to be something better a story Wes fears there was something shady about the construction of a bridge that collapsed in a recent storm It's out of his jurisdiction but he thinks Lexie's just the person to dig into it She suspects Wes might be right when the county engineer she calls about the bridge invites her to his house for a cookout instead of arranging an interview There must be something he doesn't want to discuss at the office But when she arrives he's nowhere to be found His family can't get into the house because it's locked from the inside After the police resort to kicking in a door they find him dead from an apparent suicide Or is it It doesn't make sense for him to invite Lexie over then kill himself before talking On the other hand there are those locked doors How could the killer have left Then again this is Stirling Mills where half the population can do seemingly impossible things Getting in and out in spite of locked doors isn't out of the question If it was murder was he killed because of the bridge or was it something else Either way Lexie's investigation into the bridge has made her a target of threats If she's dealing with someone willing to kill to keep her from finding and publishing the truth and if that person can lock or unlock any door she won't be safe until she brings the killer to justice

Case of the Curious Crystals Shanna Swendson, 2020-10-29 Small time Crime Big time Danger Of all the crimes to plague the idyllic small town of Stirling Mills Texas Lexie Lincoln never expected jewelry theft But thieves are breaking into local homes stealing cheap costume jewelry and stirring up paranoia When a ghost suggests that the jewelry may be more valuable than anyone realizes Lexie finds herself delving into forgotten chapters of the town's strange history It seems the jewelry might actually be valuable to those with the ability to use its power and that poses a real danger as the crimes escalate Lexie needs to track down the thieves before they can use the gems for nefarious purposes and before the town tears itself apart with fear and suspicion She can't exactly tell local cop Wes Mosby that she's getting hot tips from ghosts so it's up to her to crack the case stop the thieves and foil their sinister agenda in time to save the town's spring festival Another Lucky Lexie mystery by the author of the Enchanted Inc series

Katie Chandler's life is pure magic literally. As an executive assistant at Magic Spells and Illusions Inc. she's seen more than her share of fantastical occurrences. A mere Manhattan mortal, Katie is no wizard, but she's a wiz at exposing hokum, pocus, cloaked lies, and deceptive enchantments. And she's fallen under the all too human spell of attraction to Owen, a hunky wizard and coworker. Owen, however, is preoccupied. Someone has broken into his office and disrupted top secret files, and it reeks of an inside job. CEO Merlin, yes, the Merlin, taps Katie and her special ability to uncover the magical mole. Keeping her feelings in check while sleuthing alongside Owen, Katie is shocked to discover that her immunity to magic is waning, putting her in grave danger. Soon she's surrendering to the charms and enchantments of everyone and everything around her, including a killer pair of red stilettos. Katie must now conjure up her natural instincts to get to the bottom of the break in, regain her power, and win the wizard of her dreams. Harper's Bazaar, 1871 Jacobs' Orchestra Monthly, 1925
