Kiss Of Fire German Edition:

Moral Fire Joseph Horowitz, 2012-05-22 Joseph Horowitz's absorbing study of four key figures in the history of classical orchestral music in late nineteenth and early twentieth century America is consistently fascinating, thought provoking and rewarding. This book should be of great interest to anyone who loves music and cares about its place in and meaning to society. Mark Volpe, Managing Director, Boston Symphony Orchestra. *Moral Fire* is not only a wonderfully readable book but also a welcome work of scholarship by one of our most astute and discriminating student critics and champions of the classical music tradition in America. This book will be welcomed not only by those interested in the history of music in America but also by cultural historians and American Studies specialists for its perceptive insights into U.S. culture and cultural aspiration at the dawn of the twentieth century. Paul S. Boyer, General Editor, *The Oxford Encyclopedia of American History*. In this vivid empathetic book, renowned scholar Joseph Horowitz further develops his case that to understand American intellectual and cultural history, one must understand Americans' deep engagement with music in the nineteenth and early twentieth centuries. Despite their different backgrounds and mindsets, the four figures profiled in *Moral Fire* all reveal the impulses and contradictions of Gilded Age culture through their involvement with music: Higginson, Langford, Krehbiel, and Ives were all intensely romantic yet devoted to moralism and uplift, democratic in spirit and agenda yet refined and sophisticated. Victorian yet modern, *Moral Fire* helps readers understand why the much misunderstood Gilded Age in reality ranks as an especially creative and formative period in American thought and culture. Alan Lessoff, editor, *Journal of the Gilded Age and Progressive Era*. **The Fatherland**, 1915 **The Sorcerer**, 1879 **Fire of Youth** Henry James Forman, 1920. Son of a Nebraska newspaperman, he seeks a career in New York but is led astray by greed and a vicious woman. Reformed by a girl from home and purified by army service in World War I, he returns to Nebraska. Cf. Hanna, *A Mirror for the Nation*. **Perdido Street Station** China Miéville, 2003-07-29. WINNER OF THE AUGUST DERLETH AND ARTHUR C. CLARKE AWARDS. A masterpiece brimming with scientific splendor, magical intrigue, and fierce characters from the author who has reshaped modern fantasy. *The Washington Post*. China Miéville's fantasy novels, including a trilogy set in and around the magical city state of New Crobuzon, have the refreshing effect of making Middle-earth seem plodding and flat. *The New York Times*. The metropolis of New Crobuzon sprawls at the center of the world. Humans and mutants and arcane races brood in the gloom beneath its chimneys where the river is sluggish with unnatural effluent and foundries pound into the night. For a thousand years the Parliament and its brutal militias have ruled over a vast economy of workers and artists, spies and soldiers, magicians, crooks, and junkies. Now a stranger has arrived with a pocketful of gold and an impossible demand. And something unthinkable is released. The city is gripped by an alien terror. The fate of millions lies with a clutch of renegades. A reckoning is due at the city's heart in the vast edifice of brick and wood and steel under the vaults of Perdido Street Station. It is too late to escape. **The Last Days of New Paris** China Miéville, 2016-08-09. A thriller of war that never was, of survival
