English as a Language of Teaching and Learning for Community Secondary Schools in Tanzania Elia Shabani Mlilo, Mikael Mwashilindi, 2017-08-07 This book examines the challenges posed by English a foreign language as a language of teaching and learning for community secondary schools in Tanzania in terms of academic performance The book probes the necessity for having two languages of instruction in the Tanzanian educational system While Kiswahili the native language is predominantly understood by the majority of people the discussion in this book indicates that most students in community secondary schools in Tanzania are incompetent in understanding writing listening reading and speaking English a language they use in learning and doing their examinations especially in the early stages of their secondary studies The incompetence in the above mentioned skills is mostly caused by their inability to cope with the abrupt transition in the languages of instruction from their pre primary and primary school study Kiswahili to secondary school study English Moreover most teachers are unable to use the English language as a means to impart knowledge or facilitate learning to their students leading them to code switching and code mixing This book poses a challenge to countries whose students pass through a transition from one language of instruction to another in their educational systems helping them to make appropriate decisions in regard to the appropriate language of teaching and learning

*Being Continually Shaped* Humphrey W. Muciiri PH.D., 2024-03-31 Humphrey W Muciiri was taught by his parents that there was only one God who created the heavens and the earth That God controlled everything He was to be feared and obeyed Humphrey had no clue how to obey God Although characters such as Abraham Moses and David are considered great men of God they disobeyed Him Jesus Christ is the only human being who fully obeyed God and died to save humankind from eternal damnation He became the model for humankind to emulate to live happily and joyfully now and hereafter Humphrey wanted to have a happy and joyful life now and hereafter He regularly read the Bible attended church every Sunday to please God by doing good But human nature drove him to do evil deeds He became greatly disturbed and conflicted about what to do After high school the Holy Spirit revealed to him that it was by God s grace he would be saved through faith in Jesus Christ It was not through striving but through God s gift and so he could not boast about it Ephesians 2 9 GNB 1994 Even after believing in Jesus Christ he still could not claim to be sinless But by regular Bible reading he found that when he confessed his sins to God he had peace in his heart because he was forgiven of all wrongdoing 1 John 1 8 9 GNB 1994 He is continually being shaped by God to the likeness of Jesus Christ Later Humphrey earned a bachelor of science degree from University of Nairobi Kenya a master of arts from Daystar University Nairobi Kenya and a Ph D in Organization and Management from Capella University Minneapolis Minnesota U S A Over three decades before coming to the United States he worked as an entrepreneur and a manufacturing executive in multinational corporations traveled and worked in different parts of the world Before retirement he worked as an adjunct professor at
