Will their reconnaissance efforts be for nothing when battle breaks out? VIZ Media *The King's Beast, Vol. 13* Rei Toma, 2024-06-04 Rangetsu left the palace because she saw no future for herself and Prince Tenyou. But now that the imperial princes are working together to improve the lives of Ajin in the kingdom, Rangetsu once again has hope. She even passes the difficult imperial military exam to become the first Ajin to be granted an officer's rank, earning her the right to return to the palace and Prince Tenyou's side. While the western world often defines Toho by its iconic classics, which include the *Godzilla* franchise and many of the greatest films of the legendary director Akira Kurosawa and actor Toshiro Mifune, these pictures represent but a tiny fraction of Toho's rich history. *The Toho Studios Story: A History and Complete Filmography* provides a complete picture of every Toho feature the Japanese studio produced and released, as well as foreign films that it distributed during its first 75 years. Presented chronologically, each entry in the filmography includes, where applicable, the original Japanese title, a direct translation of that title, the film's international U.S. release and alternate titles, production credits (including each film's producers, director, screenwriters, cinematographers, art directors, and composers), among others, casts with character names, production companies, technical specs, running times, and release dates, U.S. release data (including distributor, whether the film was released subtitled or dubbed), and alternate versions, domestic and international awards, and plot synopses.
