had left Europe as rebels seeking to escape traditional religious practices These maverick rabbis were drawn to places with little Jewish history or hierarchy communities such as Beaumont Galveston Fort Worth Lubbock El Paso and Tyler where they created their own religious blueprints This thoroughly researched and engaging volume covering a time span from the 1870s through the 1920s tells the lively stories of eleven rabbis their lives and their Texas towns from big cities such as Dallas Houston and San Antonio to the remote locales of Hempstead and Brownsville Sit back and enjoy Texas history through rabbinical eyes
