Miranda Herbert Ferrara, 2013 This series centers on the specific projects tasks and activities in which business people currently engage This volume focuses on the topic of technical innovations in business management      From Idea to

Innovation Bernd X. Weis, 2014-10-20 The book assists in bringing together the three stakeholders of an innovation inventor decision maker and organization These stakeholders have conflicting requirements and the book offers advice on how and by what methods they can communicate and the information that is expected and required in different phases of innovation The perspectives of inventor decision maker and organization are integrated in a business model that enables a common language and communication platform for the inevitably emerging tension field and that allows for asking and answering the right questions      Blueprint to A Business Spinks Publishing, 2007-05      **So What? who Cares? why You?** Wendy

Kennedy, 2006 Provides a toolkit for inventors and technology entrepreneurs to help in assessing the value and validity of a technology idea and to seek funding and support for that that idea Demonstrates how the So what Who cares Why you framework can be used for attracting investors customers and other business backers      **What inventor behavior tells us**
