Final Vows Karen Kingsbury, 2017-03-07 A New York Times bestselling author and former Los Angeles Times reporter chronicles the marriage between a Christian woman and an ex con that ends in murder When Carol Montecalvo began writing to a man in prison through a program at her church she considered it her Christian duty But the letters soon became her lifeline something she actually looked forward to sending and receiving She fell in love with the man behind the letters and just before Dan was released they wed in the prison chapel Their marriage lasted nine years until the fateful night when Dan stoically called 911 to report his wife's murder With a half million dollar insurance policy riding on his wife's death and a string of adulterous affairs in his past Dan is the most obvious suspect But is this former felon really guilty Or could he actually be a grieving widower in the wrong place at the wrong time In this powerful true crime account of the gruesome murder and sensational trial that followed New York Times bestselling author Karen Kingsbury weaves an emotional story that leaves readers guessing until the final harrowing conclusion
