**The Hibbert Journal** Lawrence Pearsall Jacks, George Dawes Hicks, 1922 **Karma's Name is Jesus** David Dugan, 2022-09-08 Most of the signers to the Declaration of Independence were Christians In America today however Jesus is relegated to a back pocket status for most There s been a steady stream of incrementalism that has frayed the stitching of this once great nation The gods of politics fame money and political correctness have taken center stage And it seems like only a small minority of the citizenry even recognize this What does God think about all this The bible is the one place we can go to find some answers to that Sadly there are many people who will forego that approach for an entire lifetime out of fear of the judgment it contains I was fortunate to open it as a young man I discovered a wealth of treasures that far outweighed the judgments For instance the word heaven appears nearly 600 times Hell is mentioned barely over 50 But how do we reach the heart of God and unlock the gates of heaven Christians know it s only through Jesus If you love Him I promise you ll like this book If you d like to know more about Him but are perhaps afraid to open up please take a step of faith Learn some of what you may not know We must reach into the unknown to reap the precious rewards Being saddened or grieved by the moral decline of our society is simply not good enough It won t produce change If you cry over the heinous crimes committed against those most vulnerable and pray for justice you ll rejoice over this book If you re fed up with the blatant corruption of our politicians you ll be encouraged by this book The signs of the times are everywhere and it appears the world and man s
