Avoid

Miguel tried to avoid spiders at all costs. Miguel's mom continued to remind him that spiders were harmless. However, Miguel thought they were terrible. Whenever Miguel was outside he'd come across a spider. Whether it was a giant one weaving a web or a tiny, jumping one, they were everywhere. Miguel also hadn't forgotten the time on a bike ride when he rode right into a web. He remembers feeling calmer after shaking off the web, until he spotted something crawling on his arm. When he looked down and saw that spider, Miguel lost control of his bike and crashed to the ground. That memory still majorly creeped out Miguel. It was seared in his brain and the main reason he avoided spiders.
