

Mystery Mode

There has been a robbery at Spangley Manor. Pupils must use their map reading skills to locate guests and collect important clues to help them identify the guilty suspect. The mystery requires pupils to access and navigate one or both rural maps to find all the witnesses, then solve the crime.

Explore Mode

This mode allows pupils to access and navigate both of the rural maps freely (depending on selections made in the Teacher Options), without any reference to finding witnesses etc.

Explore mode has particular potential for teachers wishing to set their own navigation tasks for pupils to complete, such as for orienteering, races against the clock, skill consolidation, etc.

Night time Mode

This option simulates map reading and navigation in the dark. Pupils must read the map by torchlight and navigate the area carefully. It is available for Mystery and Explore modes.

Please note: Night time mode can be altered by adjusting the brightness control on your computer monitor.
