

Atlas Marcato

Now, with Raviolissima, you can make ravioli too.

If you own an Atlas Marcato, you can immediately make ravioli too. You only have to buy Raviolissima Atlas. It is extremely easy to assemble or disassemble Raviolissima (which is an Atlas' accessory) and it is also very easy to clean it after having made ravioli.

If, on the contrary, you do not yet own an Atlas Marcato, this is the right occasion to buy it, supplied with the other accessories to make noodles, thin noodles, curly lasagne, spaghetti and "capelli d'angelo" (very thin noodles).

The sheet of pastry is ready.

Prepare the sheet of pastry using Atlas Marcato, as you normally do. The sheet of pasta that you obtain has the optimum thickness and consistence. Length should be about 50/60 cm.

Insert stuffing.

Fold the sheet of pastry in two and insert in the hopper until you remark that it is ready to run over the rolls. Carefully open the two strips of pasta, as if it was a page of a book. Now, without pressing, insert stuffing into the obtained hollow of pasta.

The ravioli are coming out.

Turn the crank gently. Beautiful and tasty home-made ravioli are coming out from Raviolissima Atlas, very quickly thanks to Raviolissima.

to make home-made pasta
