IOS 14 and iPadOS 14 For Seniors Scott La Counte,2020-10-17 Two books bundled together Together iPhone and iPad can help you be more productive than ever if you know how to use them The iPad and iPhone have both been around for several years but that doesn t make it any easier to use It doesn t help that every year there are changes and features added to it This book walks you through what you need to know step by step including how navigation works now that the Home button is gone on some of the iPhones and iPads It covers only what you need to know so you don t have to comb through hundreds of pages of tech speak just to find out how to do a common feature Are you ready to start enjoying your new Apple Device Then let s get started Note This guide is a bundle of two books previously published **The Compleat Apple**

iPhone & iPad Camera Guide Steve Frankel,2015-11-27 The cameras in the Apple iPhones and iPads are among the most advanced available in any cameras today and yet most owners don t use them for anything more than taking snapshots and selfies They don t realize that they can take dramatic 3 D landscape photos They also don t realize that without any effort on their part their iPhone 6s automatically takes brief video clips of them every time they take a selfie and takes a brief video clip of their subject every time they take a regular photo They also don t know that they have at their beck and call a host of other semi professional features such as a studio light box they can use for self portraits and 4K video that is just now beginning to appear in costly video cameras Why don t they know these things Because iPhoto and iPad cameras don t come with camera manuals or detailed instructions As a pundit said Part of the Apple mystique is to provide one of world s most sophisticated cameras but not a manual The Compleat Apple iPhone a chapter to the 6 functions that are NICE to know and a chapter to the new functions on the iPhone 6s and the iPhone 6s Plus It concludes with chapters on the differences between the cameras on each iPhone and iPad model when you should use conventional cameras and what to do when you need technical assistance The book is written very informally and is only 60 pages Steve Frankel is also the author of The Compleat Olympus Stylus 1s and The Compleat Olympus TOUGH TG 4 TG 850 He is an avid travel photographer and street

shooter He has amassed more than 30 000 travel photos and traveled more than 200 000 miles on cruise ships His photos have been taken with more than 50 different digital cameras and 100 different lenses
