Irb Seven a Side Coaching Manual - Rugby World Cup 2001 Lee Smith, 2001 *Rugby: The Art of Scrummaging* Enrique TOPO Rodríguez, 2015-12-28 As a history a technical manual a practical guideline of the rugby scrum and a great coaching tool for teachers and coaches of all levels Rugby The Art of Scrummaging is one of the most comprehensive rugby scrum theses ever assembled and published since the inception of rugby union Rugby The Art of Scrummaging contains many ideas and recommendations for coaches that will allow them to produce players who understand the necessary skills thereby increasing their enjoyment through higher efficiency That higher efficiency will also make their involvement in the scrum much safer something that has been at the centre of this project s focus For coaches to teach well they have to be properly taught themselves and the advice of all the scrummaging luminaries associated with this work will help them Rugby The Art of Scrummaging also presents many ideas on what might lead to better and safer scrum laws and better officiating It does not include definitive recommendations on these two subjects but provides a bank of information that should assist in any future reviews *Doc* Paul Dobson, 1994 *Muddied Oafs* Richard Beard, 2018-11-22 There is Rugby Union the fast compelling TV friendly combat sport in which sponsored gladiators are sold on their ability to crash into each other at top speed and sometimes even to avoid each other and score And then there s rugger Rugger was once the serious version of rugby more than a mere game a fierce contact sport developed in Victorian public schools to forge manly and unshakeable character For a hundred years boys played rugger and made themselves into men They also drank too much beer and took their trousers down in public Richard Beard sets out to examine this contradiction by revisiting his seven former rugby clubs in four different countries He meets Booker prize winning authors and former England hookers explores rugby s rivalry with soccer its surprising attraction for nonconformists and its unlikely role in organised crime All while trying to get himself a game This is Beard s quest into his rugby playing past where he s lived the sport in many of its varied forms By the end of his wayward journey he almost qualifies to judge whether rugger has achieved what the Victorians always intended and made him a better man
