D.,2012-01-23 We are at the threshold of a transitional period from the Age of Pisces to the Age of Aquarius What should we expect from this coming New Era What are its signs What is the fate of human spirituality What will the new concepts of God and of religion be This book attempts to answer these questions based on well researched sources complemented and endorsed by cosmology archeology psychology religion Near East studies and mythology among other scientific disciplines The book also intends to clarify the confusion created by some Protestant religious leaders and sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world The truth is that we are witnessing a shift of ages that is the slow evolution from the Piscean Era to the commencing of a new worldwide social order a new chapter in human history called the Aquarian dispensation The huge conspiracy propounded by false prophets and some New Age writers whether overtly or covertly feeds the fear and anxiety of ordinary people with unfounded apocalyptic propaganda This book attempts to give the reader an accurate perspective regarding the planetary transformations that are taking place it offers hope and inspiration as we approach the Golden Age *Age of Aquarius* Moon Omens,2021-10-13 Every 2 160 years there is a shift of astrological ages which happens because of the precession of equinoxes There are twelve ages related to twelve Zodiac signs and each sign age lasts for around 2 160 years It takes approximately 26 000 years for this whole precession period to complete and go through all twelve signs after which the cycle repeats The cycles are real and the shift is happening We are in the midst of transition from the Age of Pisces into the Age of Aquarius We are witnessing the greatest changes on Earth right now Get ready **Age of Aquarius** Melinda Merritt,2024-07 This book attempts to illustrate how different Cosmic Ages have produced various spiritual leaders and examines their impact on the development of the religious landscape in which we presently reside In the current Age of Aquarius there appears to be a gradual collapse of the religious world with the Catholic Religion seemingly on its last leg In this Age of Revelation the pressure of Truth becomes insurmountable The Spiritual world initially created by the Creator has been appropriated by religious pretenders who have led people astray Now the time has come to reckon with the consequences as the old adage goes The corruption of religious leaders is coming to an end What unfolds next in the
