About Human Initiative

Human Initiative is a global humanitarian organization that continues to strive to provide more meaningful benefits with the support of multiple parties. Through the previous vision of "becoming a trusted global humanitarian organization in building self-reliance", we strive to strengthen the organization's strategic plan with the 2030 vision, "goodness for dignity".

Founded in Indonesia on December 10, 1999, Human Initiative carries out a Theory of Change (TOC) strategy that focuses on the positive impact of program implementation on society and makes the Humanitarian-Development Nexus the scope of the program. This is derived in 3 main programs, Initiative for Empowerment, Initiative for Children, and Initiative for Disaster Management.
