Landini

PREFACE

This manual contains the technical specifications, mechanical, hydraulic layouts and wiring diagrams, plus instructions on how to operate and adjust Landini's Globus 55-65-80 series tractors. It does not contain all the necessary information as it is completed with the theoretical and practical explanations and theoretical descriptions given by the instructors during the training courses. This information is therefore dedicated to the persons who frequent training courses at the Landini training center.

NOTE :

The descriptions and technical specifications in this manual are strictly not binding. Landini therefore reserves the right to modify the components and accessories for technical or commercial reasons without being obliged to update this manual each time.
