SERVICE MANUAL

P/N 3676095M2 - EDITION 05-2006

**Landini**

### INTRODUCTION

This manual refers to the **ALPINE 65 - 75 - 85** tractor manufactured by **LANDINI S.p.A.**. It is divided into sections identified by numbers with three/four figures. The pages of each section are numbered separately.

- The subjects described are listed in the general index and appear in more detail in the specific index of the section in question.
- The date of the relative edition/update is printed at the bottom of each page.
- Pages where future updates are made will have the same printed number but the new date of issue. These pages will be supplied by a reprint of the fully updated index.
- The information in this manual may be up to date on the date printed on the page. Since **LANDINI** constantly updates its range of products, some of the information could no longer be up to date following modifications made for technical or commercial reasons, or to adapt the machines to the laws in force in the various countries of use.

Consult our Dealers and Assistance Centres if discrepancies are found.

### LIABILITY

**LANDINI S.p.A.** declines all liability for incorrect servicing operations, use of spurious spare parts and tampering with parts of the product.

The person in charge of the personnel is responsible for ensuring that the safety regulations described in this manual are applied. This person must be qualified to carry out the operations required, be familiar and strictly comply with the prescriptions in this manual and the general safety regulations applicable. Failure to comply with the safety regulations may lead to persons being injured and damage to machine components.

### PURPOSE OF THE MANUAL

This manual is mostly dedicated to workshop staff.

This manual contains all the necessary technical information concerning the machine, allowing the servicing technician to work in safety and guarantee that the product remains perfectly efficient throughout its working life. However, it is not a substitute for thorough professional training.

To correctly carry out the servicing activities, it is assumed that the place of work conforms to the current standards governing safety and hygiene.

The manual contains all the information required to correctly carry out modifications, tune-ups, repairs and over-hauls.

Read this manual carefully before proceeding with any work. Correct repairs are guaranteed and the operators safeguarded from accidents by compliance with the instructions supplied and by using the right tools.

### COPYRIGHT

This publication may neither be fully nor partly duplicated in any form without the prior authorisation of **LANDINI S.p.A.**

The illustrations and descriptions in this publication are purely indicative.

The Manufacturer reserves the right, at any moment, to make any modifications to the machines considered necessary for improvement purposes or for manufacturing and marketing requirements, without being obliged to give prior notice.
