Guide for Planning Educational Facilities ,1985

A Philosopher's Guide to Natural Capitalism Wayne I.

Henry,2023-07-07 This book posits that a sustainable future is possible without abandoning Capitalism In its current form as Consumer Capitalism the organization of the global economy is clearly unsustainable But Capitalism is a malleable concept that has assumed a variety of forms since the 17th century and it can be altered as needed In Part I of this book the author sets out an economic model for a sustainable form of Capitalism referred to in the literature as Natural Capitalism In Part II he abandons exposition in favour of rigorous philosophical analysis and critiques the older but still dominant narrative that underlies Classical Liberalism The narrative will be reconstructed with great care and analysed to understand why it has been so powerful and enduring and of course why it is no longer appropriate for our current circumstances In Part III he investigates from a normative perspective Classical Liberalism and globalized Capitalism and the economic system it licenses Finally in the conclusion the author draws the threads of the discussion together in a way that emphasizes the differences between the two narratives Classical Liberalism on the one hand and the contemporary version of Progressive Liberalism that nurtures and supports Natural Capitalism on the other This book will be of interest to a broad range of scholars and curious laypersons interested in a clear and interdisciplinary presentation of the issues arising out of climate change including corporate governance social and environmental policy declining social capital and the capacity of democratic institutions to deal effectively with sustainability It will be particularly relevant for students and instructors of philosophy history economics political science social policy and environmental sociology <https://wayneihenry.com>

Robertson on

Library Security and Disaster Planning Guy Robertson,2016-01-29 Robertson on Library Security and Disaster Planning presents a collection of highly cited author published articles on security and disaster planning for libraries The book represents the only place where these articles are compiled making it a go to volume for practitioners It includes topics covering all aspects of preparation and response along with articles drawn from library journals including Feliciter Canadian Insurance Disaster Recovery Journal and Canadian Bookseller The book represents a wealth of the author s experience and expertise garnered during a distinguished career working with significant institutions on both their current security problems and their plans for future security Offers a unique and valuable collection of the author s articles on library security and disaster planning Accompanies and complements Disaster Planning for Libraries a second title by the author Presents a range of security and disaster planning topics in an accessible narrative style Represents the only resource that contains such a broad range of security and disaster planning topics [Disaster Planning for Libraries](#) Guy Robertson,2014-12-09 Libraries are constantly at risk Every day many libraries and their collections are damaged by fire flooding high winds power outages and criminal behaviour Every library needs a plan to protect its staff sites and collections including yours Disaster Planning for Libraries provides a practical guide to developing a comprehensive plan for any library Twelve chapters cover

essential areas of plan development these include an overview of the risks faced by libraries disaster preparedness and responding to disasters resuming operations after a disaster and assessing damage declaring disaster and managing a crisis cleaning up and management after a disaster and normalizing relations staff training testing disaster plans and the in house planning champion Provides a practical approach to developing a comprehensive plan for any library big or small Supplements technical information with interviews and case studies Includes appendices covering pandemic management moisture control and library security *Guide to Geography Programs in the Americas*, 2007 **Ultra Libris** Rowland Lorimer, 2012-10-09 Reflecting cultural political and technological changes this detailed exploration of Canadian book publishing displays trends of the industry from the last 50 years Against the backdrop of historical highlights the book dives into modern events in book publishing focusing on the explosion of national book publishing in the 1970s and detailing the sparring match between the industry and government during the 1970s through the 1990s While industry and government policy both aimed at national survival in the face of globalization the book documents how beginning in the mid 1990s Ontario established an emphasis on financial stability for the cultural sector accompanied by stimulants to encourage participation in domestic and international markets This new vision laid the foundation for and anticipated the growing recognition of the creative economy worldwide Coinciding with that recognition came an embrace of technology not just as a business catalyst but also as a transformative medium for expression with the potential to change the nature of both book publishing and human understanding Finally the text concludes with a discourse on the future of books and book publishing not only in Canada but in the world as a whole **Front-Line Librarianship** Guy Robertson, 2018-11-28 Front Line Librarianship Life on the Job for Librarians presents a diverse range of observations viewpoints and useful commentary on the current workplace experiences of librarians and their associates The book's author presents an unrivalled portrait of front line librarianship that is based upon his unique experience and voice Chapters consider workplace matters the fate of hardcopy books speechmaking at conferences the effects of recessions on libraries continuing education and corporate gift giving programs This book will make an excellent and useful addition to library collections in library science Tells stories and presents interviews bringing color and texture to library experience Shows librarianship from the perspective of a long term practitioner Gives different approaches to a great range of real life workplace issues **Planning**, 1983 **BCLA Reporter** British Columbia Library Association, 1994 **Asian Religions in British Columbia** Larry DeVries, Don Baker, Dan Overmyer, 2011-01-01 British Columbia is Canada's most ethnically diverse province Although the presence of Asian religions is felt and discussed in many regions we know little about the religions that accompanied immigrants from Asia or how they are practised today Asian Religions in British Columbia brings together fourteen religious studies scholars who offer intimate portraits of local religious groups including Hindus and Sikhs from South Asia Buddhist organizations from Southeast Asia and Tibetan Japanese and Chinese religions from East and Central Asia Although the geographical focus

is particular the conceptual focus is broad the authors explore each religious tradition in the larger context of Canadian multiculturalism As the first comprehensive and comparative examination of Asian religions in British Columbia this book is mandatory reading for teachers policy makers scholars of British Columbia history and Asian Canadian studies or anyone who wants to be well informed about this province and nation BCLA Annual Report British Columbia Library Association,2005 *Alternatives Journal* ,2002 *Library of Congress Catalog* Library of Congress,1970 Canadiana ,1985 *Resources in Education* ,1995-06 World Guide to Libraries ,1991 Covers general and special libraries arranged by country and then by type Includes national general research university and college professional school government ecclesiastical corporate or business and public libraries Library of Congress Catalogs Library of Congress,1976 *College and University Programs in Canada* ,1985 **Canadian Library Handbook** ,2000 PNLA Quarterly Pacific Northwest Library Association,1991
