Language As Commodity Rani Rubdy, Peter Tan, 2008-09-21 Throughout human history languages have been in competition with each other As the world becomes more globalized this trend increases It affects the decision making of those in positions of power and determines macro language policies and planning Often decisions about language or dialects or language variety are related to usefulness defined in terms of their pragmatic and commercial currency or their value as symbols of socio cultural identity Languages can be modes of entry into coveted social hierarchies or strongholds of religious historical technological and political power bases Languages are seen now as commodities that carry different values in an era of globalization This volume engages with language policies and positions in relation to the roles and functions these languages adopt It examines the value of languages defined in terms of the power they have in the global marketplace as much as within the complex matrices of the local socio politics These valuations strongly underpin the various motivations that influence policy making decisions and in turn these motivations create the tensions that characterize many language related issues tensions that arise when languages become commodified The Routledge Handbook of Migration and Language Suresh Canagarajah, 2017-02-03 Winner of AAAL Book Award 2020 Shortlisted for the BAAL Book Prize 2018 The Routledge Handbook of Migration and Language is the first comprehensive survey of this area exploring language and human mobility in today's globalised world This key reference brings together a range of interdisciplinary and multidisciplinary perspectives drawing on subjects such as migration studies geography philosophy sociology and anthropology Featuring over 30 chapters written by leading experts from around the world this book Examines how basic constructs such as community place language diversity identity nation state and social stratification are being retheorized in the context of human mobility Analyses the impact of the mobility turn on language use including the parallel multilingual turn and translanguaging Discusses the migration of skilled and unskilled workers different forms of displacement and new superdiverse and diaspora communities Explores new research orientations and methodologies such as mobile and participatory research multi sited ethnography and the mixing of research methods Investigates the place of language in citizenship educational policies employment and social services The Routledge Handbook of Migration and Language is essential reading for those with an interest in migration studies language policy sociolinguistic research and development studies

Race and Ethnicity in English Language Teaching Christopher Joseph Jenks, 2017-08-14 This book examines racism and racialized discourses in the ELT profession in South Korea The book is informed by a number of different critical approaches to race and discourse and the discussions contained in the chapters offer one way of exploring how the ELT profession can be understood from such perspectives Observations made are based on the understanding that racism should not be viewed as individual acts of discrimination but rather as a system of social structures While the book is principally concerned with language teaching and learning in South Korea the findings are situated in a wider discussion of race and

ethnicity in the global ELT profession The book makes the following argument White normativity is an ideological commitment and a form of racialized discourse that comes from the social actions of those involved in the ELT profession this normative model or ideal standard constructs a system of racial discrimination that is founded on White privilege saviorism and neoliberalism Drawing on a wide range of data sources this book is a must read for anyone interested in critically examining ELT

English in China Songqing Li,2022-06-14 English related linguistic creativity and language commodification are a constant topic of interest and analysis for scholars This volume is intended to initiate a dialogue between these two domains of inquiry that have been abundantly addressed but rarely documented together or in relation to one another English as used in mainland China is presented as a case study where it remains rather unclear the extent to which the language is actually used in people s lives outside the domain of education The volume enriches existing empirical studies by exploring the creative and innovative uses of English in people s lives and its commodification at different language centred economic spaces within China while also providing an update of our understanding of the sociolinguistic situation of English in China a country undergoing rapid socio economic transformation English in China is the first attempt to discuss the possible relationship intersection and tension between two seemingly inseparable research topics The book is an important resource for students and scholars in the fields of Applied Linguistics Bilingualism Sociolinguistics Translation and Contemporary Chinese Studies

Tourism and Leisure Mobilities Jillian Rickly,Kevin Hannam,Mary Mostafanezhad,2016-07-15 This book reframes tourism as well as leisure within mobilities studies to challenge the limitations that dichotomous understandings of home away work leisure and host guest bring A mobilities approach to tourism and leisure encourages us to think beyond the mobilities of tourists to ways in which tourism and leisure experiences bring other mobilities into sync or disorder and as a result re conceptualizes social theory The proposed anthology stretches across academic disciplines and fields of study to illustrate the advantages of multi disciplinary conversation and in so doing it challenges how we approach studies of movement based phenomena and the concept of scale Part One examines the ways in

which mobility informs and is informed by leisure from everyday practices to leisure inspired mobile lifestyles Part Two investigates individuals and communities that become entrepreneurial in the face of changing tourism contexts and reflects on the performance of work through multiple mobilities Part Three turns to issues of development with attention to the cultural politics that frame development encounters in the context of tourism The varied ways that people move into and out of development projects is mediated by geopolitical discourses that can both challenge and perpetuate geographic imaginations of tourism destinations

Professional Identity Constructions of Indian Women Priti Sandhu, 2016-12-15 This book analyzes the narratives of urban North Indian women for the diverse ways in which they construct the impact of their medium of education Hindi English or a combination of both on varied aspects of their professional and personal lives It examines how participants reinforce or interrogate firmly entrenched power hierarchies that have long elevated English in India Adopting a social constructionist perspective and treating oral narratives as impacted both by local interactional contingencies and by larger social contexts this book provides an innovative framework for the analysis of narratives told in qualitative research interviews Stylization mock languages similes and metaphors reported speech and varied interactional cues are some of the devices used to examine the intersectionality of power and identity within participants oral narratives The book will be of interest to scholars and students of narrative analysis gender and identity studies postcolonialism and professional identity constructions of women

Migrant Communication Enterprises Maria Sabaté-Dalmau, 2014-08-06 This unique critical sociolinguistic ethnography explores alternative migrant regulated institutions of resistance and subversive communication technology the locutorios or ethnic call shops These migrant owned businesses act as a window into their multimodal and hybrid linguistic and communicative practices and into their own linguistic hierarchies and non mainstream sociolinguistic orders Here socially displaced but technologically empowered transnational migrant populations actively find subversive ways to access information and communication technologies As such they mobilise their own resources to successfully inhabit Catalonia at the margins of powerful institutions The book also focuses on the internal social organisation dynamics as well as on the simultaneous fight against and re production of practices and processes of social difference and social inequality among migrants themselves
