CE Marking (if applicable):

The link complies with the Machinery Directive 2006/42/EC (lifting accessories).

Operating Instructions:

Whenever a link set is in use the following precautions must be observed.

- The links are designed to hang elevators from Top Drive Systems, Hooks, Becketts, and Link Adapters.
- Always ensure that the links are in good condition and properly rated for the application in use. The operator of the equipment shall be responsible for determination of the Safe Working Load (SWL) for any hoisting operation. The SWL is equal to the design load minus the dynamic load.
- Check to verify that the links are a matched set of equal rating.
- Check to see that the eyes are properly seated with the mating components and secondary retention is used when applicable.
- When applicable, install links with the offset end pointing inward at the attaching point.
- Always use caution and wear all applicable safety gear whenever working with links.
