Laos, Caught In The Web Judy Rantala, 2014-12-21 The small nation of Laos wedged between Thailand and Vietnam is little known to most Westerners When the author and her husband a USAID worker moved to Laos in 1971 it was a quiet country falling increasingly under the effects of a heavy but unacknowledged U S military presence as part of a failing effort in Vietnam Befriended by two young Laotians the author became a part of village life joining holiday celebrations weddings funerals and feasts Over a four year period she developed a deep admiration and affection for the Lao people The humor and pathos of these chaotic years before the Communist take over of the government in 1975 are chronicled by following one Lao family from Communist controlled re education camps to their eventual resettlement in the United States Being born in Laos but raised in America from the tender age of 4 I have not had an opportunity to truly appreciate my own country Judy s book opened my eyes heart and mind to the beautiful people and culture of that life and world Thanks Judy Lala Rivera former refugee Fascinating for its portrayal of an unfamiliar increasingly dangerous world Laos 1971 75 this memoir floods readers with admiration and sympathy for Lao culture Suzanne Kosanke University of Hawaii at Manoa As interest revives in the era of what Americans call the Vietnam War there is still little accessible information about that part of the world including Vietnam s neighboring country Laos This book is a warm human account of one person s experiences in Laos Mary Ann Mattoon PhD Minneapolis

Historical Dictionary of Laos Martin Stuart-Fox, 2008-02-06 Laos is the smallest state in terms of population the weakest militarily and the least developed economically in mainland Southeast Asia Yet a glance at the map shows how strategically it is positioned between Thailand and Vietnam and between Cambodia and China As in the past Laos was a crossroads for trade routes so in the future it will be a crossroads for communications in this rapidly developing region It is even possible to anticipate that the greatness of Laos in the past may be matched by the emergence of Laos in the future as a significant partner in the Association of Southeast Asian Nations of which it is already a member The third edition of the Historical Dictionary of Laos through its chronology introductory essay appendixes maps bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces Laos history and provides a compass for the direction the country is heading

points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **Laos** Judy Austin Rantala,2004 **Laos Information Strategy, Internet and E-Commerce Development Handbook - Strategic Information, Programs, Regulations** IBP, Inc.,2017-12-20 Laos Information Strategy Internet and E Commerce Development Handbook Strategic Information Programs Regulations **Laos Internet and E-Commerce Investment and Business Guide Volume 1 Strategic Information and Regulations** IBP, Inc.,2009-03-20 Laos Internet and E Commerce Investment and Business Guide Strategic and Practical Information Regulations and Opportunities *Laos Handbook* Joshua Eliot,Jane Bickersteth,1999 Laos has been effectively cut off to the casual visitor since the 1960s Embroiled in the conflict in Vietnam divided by civil war and then isolated by its economic and political policies Laos only recently began to accept the concept of independent travel Although few make it to this land locked corner of Asia its Theravada Buddhist culture pristine countryside and French influence make it one of the great treasures of the region Laos remains a truly unique and delightful country to visit **Southeast Asia** ,1972 OnTheInternet ,2000 **Vietnam in Laos** Martin Stuart-Fox,1987 *Far East and Australasia 2008* Europa Publications,Routledge Staff,2007-11-15 A systematic survey of all the countries of East Asia South East Asia Australia New Zealand and the Pacific Islands Essential for anyone with a professional interest in the region Keeps up to date with current economic and political developments Part One General Survey Written by acknowledged authorities on the Pacific Rim this collection of essays forms an impartial overview of the area as a whole Topics include regional security issues human rights environmental issues recent economic trends and USA s relations with the Asia Pacific region Country Surveys Individual chapters on each country containing articles on geography history and the economy an economic and demographic survey of the latest available statistics on population agriculture industry finance trade transport tourism and education a directory of names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religion the media finance trade industry tourism defence and education a select bibliography Regional Information Includes all major international organizations active in the region their aims activities publications and principal personnel a detailed survey of major commodities in Asia and the Pacific a directory of research institutes specializing in the region select bibliographies of books and periodicals covering the Far East and Australasia and an index of regional organizations Link Edatata Narayanan,1962 *Vietnam*,
