Manual Direito Tributário:

Manual de Direito Tributário: teoria e prática após a emenda constitucional 132/2023 Gustavo Abrahão dos Santos, 2024-09-12 Este livro aborda o Direito Tributário no contexto do Estado Democrático de Direito brasileiro tendo como base a Constituição Federal de 1988. A obra discute a relação entre o poder de tributar dos entes públicos e o dever dos contribuintes sejam eles pessoas físicas ou jurídicas. Além disso destina-se a estudantes de Direito Administrativo e Ciências Contábeis oferecendo uma visão ampla e detalhada sobre tributação contemporânea com uma análise das questões econômicas e financeiras envolvidas. Nos primeiros capítulos o autor explora o Direito Tributário como um ramo do Direito Financeiro abordando a importância das receitas e despesas públicas para a gestão fiscal. Ele também traça um panorama histórico da evolução do sistema tributário no Brasil desde o período colonial até o atual sistema de 1988 e analisa as recentes reformas tributárias como a PEC 45/19, PEC 110/19 e a Emenda Constitucional nº 132/2023. A obra prossegue com uma análise aprofundada dos princípios constitucionais tributários e das imunidades tributárias com ênfase nas decisões do Supremo Tribunal Federal. Os capítulos seguintes tratam da obrigação tributária, seus desdobramentos e a legislação pertinente abordando a suspensão, extinção e exclusão do crédito tributário, bem como a responsabilidade tributária e a desconconsideração da pessoa jurídica. Nos capítulos finais são discutidos os impostos brasileiros e suas bases legais, além de uma aplicação prática do direito tributário com foco nas ações que contribuintes podem mover contra imposições tributárias injustas. O livro apresenta uma visão atual do Direito Tributário levando em conta as frequentes mudanças na legislação e as decisões judiciais sempre dentro dos limites do Estado Democrático de Direito.

Processo Tributário Contemporâneo Juliano Tobias, 2025-05-30 A Reforma Tributária materializada pela Emenda Constitucional nº 132/2023 propõe a simplificação do complexo Sistema Tributário Nacional introduzindo o Imposto de Valor Adicionado (IVA) dividido entre a Contribuição Social sobre Bens e Serviços (CBS) e o Imposto sobre Bens e Serviços (IBS) além do Imposto Seletivo (IS). No entanto a grande questão permanece qual será o real impacto dessas mudanças para o contribuinte. Diante de um cenário de incertezas e da perspectiva de uma das alíquotas mais altas do mundo, esta obra se propõe a examinar criticamente os meios processuais disponíveis para a defesa dos direitos dos contribuintes. Com uma abordagem prática e aprofundada, o livro analisa precedentes qualificados e enunciados de eventos deliberativos do Judiciário. Oferece ainda uma visão pragmática da jurisprudência demonstrando como as decisões dos tribunais moldam a interpretação e aplicação das normas tributárias. Com um compromisso inegociável com a exatidão jurídica e a defesa do contribuinte, esta obra busca superar a superficialidade fornecendo análises sólidas e soluções eficazes na seara do direito processual tributário.

Transação tributária e o princípio da legalidade tributária suficiente Daniela Cordeiro, 2024-10-31 O livro analisa a relativização do Princípio da Legalidade pela Lei de Transação Tributária abordando sua compatibilidade com o ordenamento jurídico e seu papel na resolução de conflitos tributários.

 perseguido Comparative Tax Law Victor Thuronyi, Kim Brooks, 2016-04-20 Although the details of tax law are literally
 endless differing not only from jurisdiction to jurisdiction but also from day to day structures and patterns exist across tax
 systems that can be understood with relative ease This book now in an updated new edition focuses on these essential
 patterns It provides an immensely useful introduction to the core common knowledge that any well informed tax lawyer or
 policy maker should have about comparative tax law in our times The busy reader will welcome the compact nature of this
 work which is shorter than the first edition and can be read in a weekend if one skips footnotes The authors elucidate the
 commonalities and differences across countries in areas including much of the detail new to the second edition general anti
 avoidance rules court decisions striking down tax laws as violating constitutional rules against retroactivity unequal
 treatment of equals confiscation and undue vagueness statutory interpretation inflation adjustment rules and the allowance
 for corporate equity value added tax systems concepts such as tax capital gain tax avoidance and partnership corporate
 shareholder tax systems the relationship between tax and financial accounting taxation of investment income tax authorities
 ability to obtain and process information about taxpayers and systems of appeals from tax assessments The information and
 analysis pull together valuable material which is scattered over a disparate literature much of it not available in English
 Especially considering the dynamic nature of tax law whose rate of change exceeds that of any other field of law the authors
 clear identification of the underlying patterns and fundamental structures that all tax systems have in common as well as
 where the differences lie guides the reader and offers resources for further research El valor sistema tributario Felipe

Manual Direito Tributrio Introduction

In today's digital age, the availability of Manual Direito Tributrio books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Manual Direito Tributrio books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Manual Direito Tributrio books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Manual Direito Tributrio versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Manual Direito Tributrio books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Manual Direito Tributrio books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Manual Direito Tributrio books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Manual Direito Tributrio books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Manual Direito Tributrio books and manuals for download and embark on your journey of knowledge?
