

The Atlas Copco logo is located in the top right corner. It consists of the company name "Atlas Copco" in a white, italicized serif font, centered between two horizontal white lines. The logo is set against a solid blue rectangular background.

*Atlas Copco*

A technical line drawing of a compressor is positioned in the upper left of the blue banner. It shows a cross-section of a cylindrical component with internal vanes or blades, surrounded by a complex network of pipes and structural elements. Various dimensions and labels are visible, though not legible.

Blasting of Rocks FranciscoJavier AyalaCarcedo,2017-11-22 Rock breakage with explosives has existed since the seventeenth  
century when black powder came into use in mining Since then it has progressed from the invention of dynamite to the use of  
heavy ANFO During the past two decades there have been numerous technical contributions which have brought a better  
understanding of rock fragmentation with explosives an improvement in drilling equipment and a noticeable evolution in the  
development of new explosives and blasting accessories The Geomining Technological Institute of Spain ITCE aware of this  
progress and of the importance which the breakage process has acquired in mining and civil engineering projects has  
ordered the publication of Drilling and Blasting of Rocks The purpose of this Handbook is to give basic knowledge of the  
drilling systems the types of available explosives and the accessories and the parameters that intervene in blast designing  
whether controllable or not at the same time the objectives and contents contribute to improved safety in mining The  
Handbook is meant for all professionals who are involved with explosives in mining operations and civil engineering projects
