Kaje Harper The Rebuilding Year:

The Rebuilding Year Kaje Harper, 2012-03-06 It took losing nearly everything to discover what they can't live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn't an option. He fought and won the battle back to health over a painful year. Now choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It's nothing they can't learn to navigate until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds and hearts. **Building Forever** Kaje Harper,

Four years ago, Ryan and John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention, planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever? **Life, Some Assembly Required** Kaje Harper, 2015-06-09 Finding love in the ashes was easy. Building a life together, not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five o'clock shadow. For the first time in Ryan's life, love feels easy. Hell, he even ran into a burning building for John and his son, and he'd do it again if he had to. But telling his father and brothers and classmates, "I'm gay. I've met a man. That's going to take nerve of a different kind." For John, loving Ryan is as natural as breathing. Now, if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John's house and his relationship with Ryan threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask?

Unfortunately, the answer seems to be yes. This is a re-release of the 2015 Samhain novel with only minor editing. **Once an Alpha** Kaje Harper, 2024-07-20 Can I be both Alpha and the man Rob needs me to be? I spent nineteen years rebuilding the pack I took from our abusive Alpha, with my bondmate Melody as my wife and my best friend Rob at my side as Second. Then I lost Melody and the child we hoped to have, and my world crashed down on me. I holed up, grieving and fighting conflicting impulses until my Third, Sherman, got tired of my apathy and challenged me for pack Alpha. I could've taken Sherman down, no sweat. Rob could've wiped the dirt with him. What held us back was the memory of one night when we were both seventeen, and three decades of not giving in to impossible dreams. If we were free away from the violent homophobia of the packs,

maybe we could finally be more than Alpha and Second So I suppressed my Alpha instincts and walked away Rob as always came with me Now we re in my truck heading west into the mountains Just David and Rob two men trying to figure out what we can be to each other Until we stop in a small town for a meal and someone who smells like a wolf steals my truck Trouble s afoot the local lone wolves need help and I m discovering that once an Alpha always an Alpha But if we get entangled with a new pack does that mean any relationship Rob and I might ve found has to be lost again to werewolf laws Set in 2010 a year before Unacceptable Risk in the bad old days of the packs this is a Hidden Wolves universe standalone 44 000 word novella with new characters Content warnings for grief past pregnancy loss past abuse past captivity and violence Contains the added bonus 5K short story Toby Doyle and the Cats Compensations: Life Lessons 3.5 Kaje Harper,2012-12-08 This is a free Life Lessons short story which takes place a week after the events in Home Work Life Lessons book 3 This story CONTAINS SIGNIFICANT SPOILERS FOR Home Work BOOK 3 Mac Tony and the kids have had a long complicated year Each of them has dealt with fears and losses joys and triumphs As December 31st approaches it s time to look forward to the new year and what may be in store Mac and Tony figure whatever happens they can handle it as long as they go through it together **Once an Alpha: a Hidden Wolves novella** Kaje Harper,2024-11-16 Can I be both Alpha and the man Rob needs me to be I spent nineteen years rebuilding the pack I took from our abusive Alpha with my bondmate Melody as my wife and my best friend Rob at my side as Second Then I lost Melody and the child we hoped to have and my world crashed down on me I holed up grieving and fighting conflicting impulses until my Third Sherman got tired of my apathy and Challenged me for pack Alpha I could ve taken Sherman down no sweat Rob could ve wiped the dirt with him What held us back was the memory of one night when we were both seventeen and three decades of not giving in to impossible dreams If we were free away from the violent homophobia of the packs maybe we could finally be more than Alpha and Second So I suppressed my Alpha instincts and walked away Rob as always came with me Now we re in my truck heading west into the mountains Just David and Rob two men trying to figure out what we can be to each other Until we stop in a small town for a meal and someone who smells like a wolf steals my truck Trouble s afoot the local lone wolves need help and I m discovering that once an Alpha always an Alpha But if we get entangled with a new pack does that mean any relationship Rob and I might ve found has to be lost again to werewolf laws Set in 2010 a year before Unacceptable Risk in the bad old days of the packs this is a Hidden Wolves universe standalone 44 000 word novella with new characters Content warnings for grief past abuse past pregnancy loss past captivity and violence Contains the added bonus 5K short story Toby Doyle and the Cats **A Furever Home** Kaje Harper,Gabbi Grey,2025-09-09 A Furever Home Arthur When I was squeezing seven rescue dogs and a horde of cats in my small house all I wanted was to not turn away a pet in need Opening the Safe Haven Pet Rescue was a dream come true But when I get hurt standing between a man with a gun and a stray dog I realize I still can t do it all My injured leg a concussion having to lean on my friends and realizing how helpless I feel throws me back to my childhood when
