

KATHERINE PARR

COMPLETE WORKS & CORRESPONDENCE

EDITED BY JANE M. M. M. M.

Katherine Parr Complete Works And Correspondence

Emilie Sanchez

Katherine Parr Complete Works And Correspondence:

Katherine Parr Katherine Parr, 2011-06-15 To the extent that she is popularly known Katherine Parr 1512-48 is the woman who survived King Henry VIII as his sixth and last wife. She merits far greater recognition however on several other fronts. Fluent in French, Italian, and Latin, Parr also began out of necessity to learn Spanish when she ascended to the throne in 1543. As Henry's wife and queen of England, she was a noted patron of the arts and music and took a personal interest in the education of her stepchildren, Princesses Mary and Elizabeth, and Prince Edward. Above all, Parr commands interest for her literary labors; she was the first woman to publish under her own name in English in England. For this new edition, Janel Mueller has assembled the four publications attributed to Parr: *Psalms or Prayers*, *Prayers or Meditations*, *The Lamentation of a Sinner*, and a compilation of prayers and Biblical excerpts written in her hand, as well as her extensive correspondence which is collected here for the first time. Mueller brings to this volume a wealth of knowledge of sixteenth-century English culture. She marshals the impeccable skills of a textual scholar in rendering Parr's sixteenth-century English for modern readers and provides useful background on the circumstances of and references in Parr's letters and compositions. Given its scope and ambition, *Katherine Parr Complete Works and Correspondence* will be an event for the English publishing world and will make an immediate contribution to the fields of sixteenth-century literature, reformation studies, women's writing, and Tudor politics.

Handbook of Women Biblical Interpreters Marion Ann Taylor, Agness Choi, 2012-10-01 Word Guild 2012 Canadian Christian Writing Award Honorable Mention The Grace Irwin Prize 2013 2012 Book of the Year Award Foreword Magazine The history of women interpreters of the Bible is a neglected area of study. Marion Taylor presents a one-volume reference tool that introduces readers to a wide array of women interpreters of the Bible from the entire history of Christianity. Her research has implications for understanding biblical interpretation, especially the history of interpretation and influencing contemporary study of women and the Bible. Contributions by 130 top scholars introduce foremothers of the faith who address issues of interpretation that continue to be relevant to faith communities today, such as women's roles in the church and synagogue and the idea of religious feminism. Women's interpretations also raise awareness about differences in the ways women and men may read the Scriptures in light of differences in their life experiences. This handbook will prove useful to ministers as well as to students of the Bible who will be inspired, provoked, and challenged by the women introduced here. The volume will also provide a foundation for further detailed research and analysis. Interpreters include Elizabeth Rice, Achtemeier, Saint Birgitta of Sweden, Catherine Mumford Booth, Anne Bradstreet, Catherine of Siena, Clare of Assisi, Egeria, Elizabeth I, Hildegard, Julian of Norwich, Thérèse of Lisieux, Marcella, Henrietta C. Mears, Florence Nightingale, Phoebe Palmer, Faltonia Betitia Proba, Pandita Ramabai, Christina Georgina Rossetti, Dorothy Leigh Sayers, Elizabeth Cady Stanton, Harriet Beecher Stowe, St. Teresa of Avila, Sojourner Truth, and Susanna Wesley.

Tudor Feminists Rebecca Wilson, 2025-08-05 The term feminist would have been anachronistic in the Tudor period, but surely we would not hesitate to call the lady who

would be queen Anne Boleyn a feminist All ten women from Catherine Par to Margaret Beaufort lived their lives in a way that challenged the patriarchal world they lived in Each chapter is dedicated to one remarkable woman ahead of her time It explores her achievements and examines the impacts she had on a male dominated world while placing her in the context of her particular circumstance and background These Renaissance women from the high born to the merchant class were rule breakers they railed against the rigid social norms of their time and stand out vividly against a backdrop of domestic servitude

Queenly Philosophers Jane Duran,2017-09-20 Recent work on the Platonic notion of the Guardian has focused on the female Guardian or Philosopher Queen but mainly insofar as the idea is problematic Okin Saxonhouse and others have tried to be more precise about the concepts involved this work aims to use actual publications by British and continentally trained women aristocrats of the sixteenth and seventeenth centuries to fill in the lacunae It is concluded that these women were not only philosophical thinkers but in some sense Guardians Their overview encompassed notions of duty care and a concern of the development of the intellectual life that left a mark for future generations

The English Print Trade in the Reign of Edward VI, 1547-1553 Celyn David Richards,2023-06-26 The protestant reformation was critical to the efflorescence of printing in England between 1547 and 1553 Celyn David Richards explores English print culture during this turbulent period in which an official programme of reform new censorship dynamics and increasingly sophisticated commercial relationships contributed to the trade s rapid expansion Edward VI s reign saw unprecedented levels of religious print production London s first publishing syndicate and a climate of protestant ascendancy which helped English print culture to make up ground on its continental counterparts

Material Cultures of Early Modern Women's Writing P. Pender,R. Smith,2015-12-04 This collection examines the diverse material cultures through which early modern women s writing was produced transmitted and received It focuses on the ways it was originally packaged and promoted how it circulated in its contemporary contexts and how it was read and received in its original publication and in later revisions and redactions

The King's Pearl Melita Thomas,2017-09-15 A re examination of Henry VIII s eldest daughter Mary and her relationship with her father

John Bale and Religious Conversion in Reformation England Oliver Wort,2015-10-06 Focusing on the life and work of the evangelical reformer John Bale 1485 1563 Wort presents a study of conversion in the sixteenth century

The Literary Review ,2011 Representing Women in Renaissance England Claude J. Summers,Ted-Larry Pebworth,1997 The contributors to *Representing Women in Renaissance England* some of whom are the most distinguished scholars currently active in the field of Renaissance studies offer correctives to oversimplified views of women in Renaissance literature frequently questioning received ideas about patriarchy and about women s responses to their varied positions within a society whose hierarchies were configured according to multiple considerations

Literature Criticism from 1400 to 1800 ,2003-12 Presents literary criticism on the works of writers of the period 1400 1800 Critical essays are selected from leading sources including published journals magazines books reviews diaries broadsheets

pamphlets and scholarly papers Criticism includes early views from the author s lifetime as well as later views including extensive collections of contemporary analysis Catalogue of the Library of the Boston Athenaeum ,1874 Milton and the Imperial Vision Balachandra Rajan,Elizabeth Sauer,1999 This exceptionally rich collection of 16 essays by major literary scholars and cultural historians opens new areas of inquiry in Milton studies While focusing on forms and variations of imperialism and colonialism in the seventeenth century chiefly as a context in which to analyse Milton s poetry and prose these essays extend their attention to the present day concern with postcolonialism and postcolonialist discourse More than anything these essays compare and contrast early modern and postmodern perspectives on various issues imperial visions of history imperial intolerance the geography of empire the role of Nature in the imperial vision the interplay of religion and politics in imperialism Augustan Nationalism the multiple vision for a British Empire the imperial canon in the colonial classroom and the like *Catalogue ... 1807-1871* Boston Mass, Athenaeum, libr,1880 Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1917 *Catalogue of Books in the Jamaica Plain Branch Library of the Boston Public Library* Boston Public Library. Jamaica Plain Branch,1887 *The Publishers' Circular and Booksellers' Record* ,1917 *Catalogue of Books in the Roxbury Branch Library of the Boston Public Library, Including the Collection of the Fellowes Athenæum, Together with Notes for Readers ... Second Edition, Etc* BOSTON, Massachusetts. Public Library. Roxbury Branch,1876 Catalogue of the Public Library of Haverhill Haverhill Public Library,1878 *King's Handbook of New York City* Moses King,1892
