

"The best book written on American boyhood in decades."
—Historian Howard Zinn

KAUFMAN'S HILL

a memoir

JOHN C. HAMPSEY

Kaufman S Hill A Memoir

Christian Drosten

Kaufman's Hill A Memoir:

Kaufman's Hill John C. Hampsey, 2015-01-07 *Kaufman's Hill* opens with a prosaic neighborhood scene. The author and some other young boys are playing by the creek, one of their usual stomping grounds. But it soon becomes clear that much more is going on: the boy narrator is struggling to find his way in a middle-class Catholic neighborhood dominated by the Creely bullies who often terrify him. It's the Pittsburgh of the early and mid-1960s, a threshold time just before the full counter culture arrives and a time when suburban society begins to encroach on *Kaufman's Hill*, the boy's sanctuary and the setting of many of his adventures. As the hill and the 1950s vanish into the twilight, so does the world of the narrator's boyhood. My pappy says if you're going to be afraid of everything, you may as well live in the sewer. These are the words that first open the narrator's eyes. And once he befriends the enigmatic, erratic but charismatic Taddy Keegan, he becomes bolder and no longer lives in abject fear of the Creelys. The narrator's relationship with Taddy proves to be unconventional, though Taddy, caught in his own imaginary universe, is often unaware of companions around him and lives life as if he is a performer. The narrator's world is a mix of exhilarating freedom because of absent parents, teachers, and priests, and imminent dangers. This is what an American childhood used to be like, one reviewer claims, before it was organized out of existence: an anarchic voyage into the unknown realms of human possibility. At home, the narrator's life is problematic. He observes his taciturn father as he copes with manic behaviors and cyclically repeating problems, while his mother struggles to better the life not just of her young son but that of her African American cleaning woman in a time of racial animosity and racially related urban violence. As the narrator matures, his self-concept shifts within a widening world that includes disconcerting sexual experiences with public school girls and his struggle to frame himself within the realm of the Catholic Church. He finds flaws with all but one religious figure, an aunt who is a sublime and mystical presence in his life. When he begins high school, the narrator, at a dramatic moment, leaves boyhood behind, which might include leaving Taddy Keegan behind as well. ***Kaufman's Hill***, 2015 John Hampsey's memoir tells a tale of boyhood in the 1960s in Pittsburgh, Pennsylvania. *Kaufman's Hill*, 2015 John Hampsey's memoir tells a tale of boyhood in the 1960s in Pittsburgh, Pennsylvania. *Memoirs of Allegheny County, Pennsylvania*, 1904

Biographical Memoirs, National Academy of Sciences, 1994-01-01 *Biographic Memoirs*, Volume 65 contains the biographies of deceased members of the National Academy of Sciences and bibliographies of their published works. Each biographical essay was written by a member of the Academy familiar with the professional career of the deceased. For historical and bibliographical purposes, these volumes are worth returning to time and again. **The**
