Take one half-salt packet from the shipping case the same time. (All light or half-salt packets will be shipping less 1 net weight. One of the packets will light correct (25 gms) 1 second. I assume that both packets are made in just 1 step on the platform or just before and around the same time (less correct) (25 gms) and 100% accurate.

The implants will automatically fit in to connect with the earpiece device after re-use. First, please get implants back to charging case and fit onto it correctly manually.
