

The K53 Exterior Pre-trip Inspection

(Light Motor Vehicle - Manual Gearbox)

The Aim

The Exterior Pre-trip Inspection is a roadworthy check to ensure that your vehicle is ready and safe for the trip you plan to do. For example, you need to make sure that there is enough oil and water in the engine and you should check that the wheel nuts are not loose.

This Exterior Pre-trip Inspection check forms part of your Yard Test. When the examiner tells you to start your vehicle check, he/she will also start a stopwatch, and time you. Your examiner will add the time that you take to complete this check to the times that you spend on the other obstacles. The total time that you spend on the K53 Yard Test must not exceed twenty (20) minutes.
